Station Managers report:

Crews have attended University residential premises to observe and provide advise on fire evacuation on cooking safety. Our Technical Fire Safety department have inspected a number of "party houses" added to the routine inspection programme. Work has commenced to programme in visits to local fire safety visit referrals can be attained for those who would benefit this will be ongoing over the winter resilience volunteers will be continueing with river walks helping to keep members of the public safe. Glenfell fire inspections to High Rise properties has been completed by crews and Technical fire safety given to occupiers.

National Campaign Theme:

As the nights start drawing in Avon Fire & Rescue Service are working with universities, the police and key agencies to deliver safety messages on water, fire and personal safety.
