School Admission Supplementary Information Forms

Notes for clergy or those responsible and authorised to sign supplementary information forms for those applying to church schools under a church attendance criterion

Please note that the recommendation of the Bath & Wells DBE is that clergy do not work in isolation when looking at school admission supplementary information form requests. The DBE strongly recommends that it is best practice to have a sub-committee of at least three members, including clergy, church wardens and those with responsibility for Sunday school to consider these requests and be authorised to sign the form if it is agreed appropriate.

Please also note that the completion of this form and its return in time to meet the admission application deadlines is critical for the applicant, and without it the child cannot be considered eligible under any church attendance criteria, even if they are regular attendees at church.

In order for the application to be considered under any church attendance criteria within the school's admissions arrangements, the following must be ensured:

1. That the attached form is completed by the applicant and signed by the relevant church representative (vicar, priest, minister, pastor, church warden) who must send it to the chosen school by the closing date for submission applications
2. That the information on the form matches and fulfils the requirements set out in the specific admissions arrangements of the school to which the application is being made. **Clergy must be clear that the specific criterion for each school is being met by the applicant and should see the admissions criteria so that they can check..**
3. The DBE recommends that schools use the criterion that either the child or at least one parent has attended worship at the church at least once a month for a minimum of 6 months prior to the time of the application. **Please note that this does vary from school to school, with some having far more rigorous requirements.**
4. The DBE does recommend that the child or a parent has attended actual worship and that attendance at toddler groups or other activities that are held at the church does NOT meet the requirements.
5. That the completed form, signed by both applicant and the clergy, reaches the applicant's chosen school by the closing date for submission of applications. This is 15th January for first admission.
6. That a separate supplementary form be completed for each VA or Foundation church school for which the applicant is applying as each is likely to have differing admissions criteria.
7. For applicants who have recently, or are about to move to a different area, the supplementary information form should be completed by the clergy at the church where they have been regularly worshipping. It is the responsibility of the

applicant to organise this and ensure that the SIF is completed and sent in on time to the chosen school.

Please Note:

The application process is a legal one and every effort MUST be made to ensure that applications and any supplementary forms are completed accurately and on time. If applicants are unsuccessful, they have the right to appeal, and the information provided by clergy can be critical to the outcome of both the application and appeal, particularly where a school is very popular and oversubscribed. Competition for places at some schools can be fierce and it is vital that information supplied is accurate. **Clergy should not be pressured into signing a form if they know that the applicant does not, or are in doubt as to whether the applicant does, meet the criteria laid down by the school. This is one reason why a committee should consider every application. It is also particularly helpful where there is an inter-regnum or where clergy have been in post less than 6 months.**
