Somerset Council**

## **Would you like to be involved in the development of Outdoors Access in this area?**

Are you interested in being a voluntary member of the Joint Local Access Forum (JLAF)? The JLAF gives independent advice to the three Councils above on public rights of way and access land both in the countryside and in urban areas.

We are seeking applications for membership of the JLAF, from people of all ages who are enthusiastic about the rights of way network and outdoors access in this area. You might be a user or a land manager. You might be interested in nature conservation, tourism, local business, access for disabled users, health, education or transport. We hope you can help us attract new users to the network of paths in this area.

An application form and further information can be found at:

To be considered for membership this year, the deadline for receipt of applications is 9am on Monday 16<sup>th</sup> November 2020.
