50p a session, first session is free

**Church Street, Radstock
Bath BA3 3QQ**

Contact Peter Dozva on 07530263497
peter_dozva@bathnes.gov.uk

Targeted Support

Targeted Support provides 1:1 support for individual young people on a range of issues that affect them. If you are 13—19 and would like extra support please get in touch.

Personal Advisers

We can provide additional support for those who may need help getting into training, education or employment. This is provided by qualified Personal Advisers who can help with information about next steps to colleges, other training providers, apprenticeships and jobs.
