Level of support can change in line with level of need

Consider early help assessment (common assessment)

Level 1

Universal services

Needs are being met

Early help assessment (common assessment) sits here

Level 2

Additional needs
Single agency plan
No lead professional
required
OR

Multi-agency support Assessment and lead professional required

Level 3

High or complex needs Multi agency plan Lead professional required Eligibility for statutory assessment e.g social care, mental health

Level 4

Acute or complex needs

Risk of significant harm

Lead professional already required under statute or best practice guidelines

Child or young person at the centre

HV Service: Universal +/- Universal Partnership (UP) or Universal Partnership Plus (UPP)

Assess, consult and act if risk of significant harm suspected
