

Core Strategy Launch Comment Form 25 September – 17 December 2007

Imagine Bath & North East Somerset in 2026... together we need to make some tough decisions

The Council is reviewing its planning policies. To stimulate discussion about how the District should develop over the next 20 years, the Council has

published a document which identifies the major issues which it thinks the District is facing. The Council wants to hear your views on this. The document takes on board the findings of studies, other Council strategies and consultations including the Sustainable Community Strategy and the 'Future for Bath and North East Somerset Visions'.

- We want you to tell us:
- S Has the Launch Document correctly identified the main issues for each area?
- S What do you think are the best options for tackling the issues?

Help the environment and respond on-line! Did you know you can respond to this consultation online? www.bathnes.gov.uk/corestrategy

All comments will be made publicly available.

What will happen to your views?

Your views will inform the development proposals for the District over the next 20 years. The Council's preferred options will be presented for consultation in the middle of 2008.

If you submit comments we will keep you informed about the subsequent stages in the preparation of the Core Strategy. This means you will be able to find out how your views, as well as other people's, were taken into account.
