

Bath and North East Somerset

Schedule of Core Strategy Amendments

November 2013

The Core Strategy is the principal planning document in the district to 2029. The strategy is currently being examined by a Government Planning Inspector.

In order to address the Inspector's concerns around housing delivery the Council is suggesting amendments to the Core Strategy to allocate strategic sites for development on the edge of Bath, Keynsham and at Whitchurch village and is consulting these and a number of other changes.

This schedule lists the latest amendments to the Core Strategy and comments are invited on the suggested and alternative Strategic Site allocations and other changes.

This consultation is your chance to make your views known to the Planning Inspector to inform the next stage of the Examination in early 2014.

All comments received between 11th November and 20th December 2013 on these amendments will be forwarded to the Inspector for his consideration.

Preface

Background

Earlier this year the Council consulted widely on proposed changes to the Core Strategy including the identification of broad strategic locations where land should be removed from the Green Belt for development. The identification and allocation of specific development sites and the definition of a revised detailed Green Belt boundary in these locations was to be undertaken through the Placemaking Plan.

The Core Strategy Examination has now resumed. Since the hearing on 17th September 2013, at which the geographic scope of the Strategic Housing Market Assessment (SHMA) was discussed, the Inspector has raised a number of other concerns primarily regarding Green Belt matters as expressed in his note ID/40. More specifically the Inspector is concerned that the current process of identifying broad locations in the Core Strategy and allocating specific sites in the Placemaking Plan will mean that housing in these areas will not be delivered quickly enough. So in order to deliver housing quickly enough the sites need to be allocated for development, land removed from the Green Belt and a revised detailed Green Belt boundary defined in the Core Strategy.

In order to address the Inspector's concerns around housing delivery the Council is suggesting amendments to the Core Strategy to allocate strategic sites for development and is consulting on these and a number of other changes. These amendments do not relate to the principle of releasing land in these locations but to the suggested strategic sites and Green Belt boundaries along with the placemaking principles relating to their development. It was previously envisaged that this work would be undertaken in the Placemaking Plan and not the Core Strategy.

Sites are being suggested for allocation in five locations in the Green Belt currently referred to in the Core Strategy:

- Odd Down/South Stoke
- Weston
- East Keynsham
- South West Keynsham
- Whitchurch

A significant amount of evidence base work has been done to inform site allocations and much of this was published on 13th September 2013 as part of the Examination process. This and any additional evidence can be found on the Council's website www.bathnes.gov.uk/corestrategy

Following public consultation on these amendments all representations received will be analysed and sent to the Inspector for his consideration. The Examination hearings to discuss the Green Belt sites will be held in early in 2014. The dates for such hearings will be published on the Council's website at: <http://www.bathnes.gov.uk/services/planning-and-building-control/planning-policy/core-strategy-examination#two>

Consultation on the Core Strategy Amendments - November 2013

The Inspector has asked for comments on the Core Strategy amendments so that he has a full range of views when examining the soundness of the Core Strategy. Concept Diagrams for the strategic site allocations are set out at **Annex 1** and changes to the Policies Map¹, at **Annex 2**. Key consequential changes to other parts of the Core Strategy arising from the strategic site allocations are also included in this schedule. Other minor consequential changes will be picked up when the Inspector advises on the Main Modifications to the Core Strategy at a later stage. Comments are also invited on the **alternative Strategic Site allocations** - see **Annex 3** for maps. Information on alternative sites can be found in the Sustainability Appraisals Addendum Report and the Council’s note BNES/51. These and other amendments the Inspector is asking us to consult on will be tested through the Examination process. If you wish to submit comments you are strongly encouraged to use the representation form and to submit it by email to planning_policy@bathnes.gov.uk. All comments received between **11th November and 20th December 2013** on these Suggested Amendments will be forwarded to the Inspector for his consideration.

Please note that deletions to existing text are shown as ~~strike through~~ and new or additional text is shown as underlined. The amendments are expressed as changes to the Submitted Core Strategy. In order to avoid confusion, text relating to the allocations of the strategic sites replaces the previously Proposed Changes from March 2013 relating to the broad locations.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
CSA1	17	Para 1.16	The principal purpose of the Core Strategy is to set out clearly the spatial distribution of development within the District based on <u>in order to delivering</u> the vision and strategic objectives outlined above. It then provides an overarching spatial strategy for the District followed by more <u>as well as</u> specific policy-frameworks for Bath, Keynsham, the Somer Valley and the Rural Areas. <u>Where land is to be released from the Green Belt, strategic sites are allocated.</u> There are also a number of <u>The Core Strategy also includes</u> generic core policies applicable across the district as set out in section 6. In setting out The policy approach we have taken <u>takes account</u> of national policy guidance, the results of key studies and other	-	Clarification and arising from response to ID/40.

¹ ‘Policies Map’ was previously known as the ‘Proposals Map’.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			relevant evidence as well as the issues identified through the consultations <u>and public engagement</u> on the Core Strategy launch document and ongoing engagement with stakeholders and local communities.		
CSA2	18	Para 1.18	<p>1d District Wide Spatial Strategy</p> <p>Development of the Spatial Strategy</p> <p>1.18 Proposals to abolish the Regional Spatial Strategy (RSS) has necessitated a move away from regionally imposed growth targets and the establishment of growth requirements in accordance with the NPPF and in response to local circumstances. Formulation of this the overarching policy framework for the District has been guided by the NPPF and entailed analysis of up-to-date evidence, formulation of options to meet the objectives, engaging with local communities, testing these options through the sustainability appraisal and assessing deliverability. Account has been taken of the District's functional relationship with neighbouring authorities. The process of developing a spatial strategy for B&NES has entailed the assessments set out below. Please note the evidence base supporting the Core Strategy is listed and is available on the Council's website at www.bathnes.gov.uk/corestrategy or on request.</p>	-	Clarification and updating.
CSA3	-	Paras 1.19a-c	<p>1.19a Development Needs: The Council has undertaken <u>an assessment of the needs of development within the District during the plan-period. This includes assessing the space needed for economic growth, housing, retail provision and social needs. This takes account of the Council's objective of promotion of a higher value economy rather than only volume growth. The Council has prepared prepare a Strategic Housing Market Assessment</u></p>	-	Clarification and updating.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			<p><u>(SHMA) to help assess its full objectively assessed housing needs in the housing market area over the plan period up to 2029.</u></p> <p><u>1.24 1.19b In terms of affordable housing need, Bath has one of the widest house price to earnings ratios outside of London but affordability varies across the District. The Council has therefore undertaken a viability study to inform a new policy framework on securing affordable housing through the planning system.</u></p> <p>1.19b Development land supply: A detailed, assessment has been undertaken of the capacity of the District's settlements for delivery of new housing in the SHLAA, jobs and community facilities. This has included identifying suitable and deliverable development sites, understanding the environmental constraints including potential flood risk, assessing the appropriate mix of uses and densities and ensuring the necessary infrastructure is in place or can be secured to deliver mixed and balanced communities. It also looked at the opportunities to re-use empty homes and under-used properties. Part of this analysis is set out in the Strategic Housing Land Availability Assessment (SHLAA).</p>		
CSA4	19	Para 1.23	<p>1.23 Development need: The Council has also undertaken assessments of development need within the district during the plan period. This includes assessing the space needed for economic growth, housing, retail provision and social needs. This takes account of the Council's objective of promotion of a higher value economy rather than only volume growth. In terms of housing need, the Council has assessed the post recession likely need requirement for new housing, both market and affordable housing, over the plan period up to</p>	-	Consequential change.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			<p>2026-2029 through the B&NES SHMA. This is based on:</p> <ul style="list-style-type: none"> • Projected population change arising from births over deaths and increasing life expectancy • The likely housing requirement this entails, including rapid decline in household size and increased separation rates • The need for housing generated by economic growth (net migration), taking into account likely future growth rate, productivity changes and sectoral changes, • Provision for non-economically active migrants • Under provision in previous years • Affordable housing need 		
CSA5	19	Para 1.24	<p>1.24 In terms of affordable housing need, Bath has one of the widest house price to earnings ratios outside of London but affordability varies across the district. The Council has therefore undertaken a viability study to inform a new policy framework on securing affordable housing through the planning system.</p>	-	Consequential change.
CSA6	-	Paras 1.26 a-d	<p>1.26 Scale and location of growth: 1.26a <u>The objectively assessed need for housing and the requirements of the plan are 8,727 dwellings which includes 5,437 market homes and 3,290 affordable homes (Table 1A below). It is these figures against which the implementation of the plan will be monitored. A five year land supply of specific deliverable sites will be maintained against this disaggregated District-wide requirement for both market and affordable housing. In order to meet the economic growth aspirations, the strategy also needs to enable the delivery of around 10,300 new jobs.</u></p> <p style="text-align: center;"><u>Table 1A – Housing Requirements</u></p>	-	Amendments reflect evidence base.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			<p>1.26d The Core Strategy makes provision for around 12,700 new homes and around 10,170 new jobs. The spatial distribution of housing across the District is set out in the Key Diagram and summarised in Table 1B below.</p> <p>The strategy is to locate new development in the most sustainable locations and the priority is to steer growth to brownfield land in urban areas of Bath, Keynsham and the larger settlements in the Somer Valley. However, in order to make provision for housing and employment needs and to fulfil the objectives of the Core Strategy, some greenfield land is also required. In some instances this entails the release of land from the Green Belt because these are the most sustainable locations. The identification of land for development has sought to minimise the impact on the environment and <u>the harm to the Green Belt and take as well as taking</u> account of infrastructure requirements. The Council has therefore sought to make provision for level of development likely to be needed but it is acknowledged that the district's environmental quality provides a challenge for accommodating new development. The broad spatial principles are summarised below and elaborated in the place-based chapters 2-5.</p> <p>Table 1C – <u>spatial distribution of housing</u></p>		

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)				Previous change Ref	Reason for change
				Market housing	Affordable housing	Total housing		
			Bath	5,130	1,890	7,020		
			Keynsham	1,580	570	2,150		
			Somer Valley	1,870	600	2,470		
			Rural Areas	930	190	1,120		
			Whitchurch Green Belt	140	60	200		
			Total	9,650	3,310	12,960		
CSA7	19	Para 1.27	<p>Bath, as is the District's the economic driver in the district is and the primary focus for new development. It is also an important sub-regional economic centre. Significant provision is made within Bath for economic growth, particularly modern employment space to meet the changing needs of the economy and take advantage of Bath's competitive position. The Council's policy of 'smart' growth promotes higher value sectors rather than only volume growth. Key areas of change within the city are along the riverside, especially in the western corridor in the <u>Enterprise Area</u>. In order to meet development needs, land also <u>needs</u> to be released from the Green Belt. The Council has undertaken a careful assessment of the options and has identified locations which cause the least harm to the City's highly sensitive environment and seeks to minimise scale of the impact. Land will <u>is</u> therefore be released from the Green Belt at Weston and Odd Down and <u>allocated</u> for development.</p>				-	Amendment arising from response to ID/40 and for clarification.
CSA8	19	Para 1.28	<p>Keynsham currently has a balance between numbers of resident workers and jobs but experiences significant in and out-commuting in light of the mismatch of resident workforce and available jobs. Although the additional homes/jobs provision for Keynsham is roughly equal, the</p>				-	Amendment arising from response to ID/40.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			focus will be to generate a range of jobs more suitable to the resident workforce. The key areas of change in Keynsham will be in the town centre and at Somerdale which has significant implications for the future of the town. In addition changes to land is removed from the Green Belt are proposed to the south west and east of the town and allocated for development in order to provide additional employment floor space and housing. <u>However, infrastructure constraints and the national Green Belt objectives limit the level of development that the Town can accommodate. Land is also removed from the Green Belt at East Keynsham and safeguarded for development for beyond the plan period. Development will only be permitted on this land when the necessary transport infrastructure improvements in the A4 corridor have been secured.</u> These changes do not undermine the Core Strategy objective to maintain the town's separate identity.		
CSA9	-	Para 1.30A	However, in order to meet development needs during the Plan period, land is will be released from the Green Belt <u>and allocated</u> for development in the Whitchurch area. Whilst not well placed for Bath, the Council's sustainability appraisal identifies land on the edge of Bristol as being a relatively sustainable location. The scope for development is limited in light of the environmental assets in the area and the infrastructure constraints. The Council will need to work closely with Bristol to ensure the development relates well to Bristol and does not prejudice regeneration proposals for south Bristol.	-	Amendment arising from response to ID/40.
CSA10	19	Para 1.31	The Green Belt is shown on the Key Diagram. The development of the spatial strategy has sought to minimise the impact on the Green Belt as far as possible. However, as described above, five strategic changes are required <u>made</u> to the inner Green Belt boundary to release land to	-	Amendment arising from response to ID/40.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			meet the need for new development. The new detailed boundary is set out on the Policies Map will be established through the Placemaking Plan. The detailed inner and outer boundaries of the Green Belt will also be reviewed in the Placemaking Plan in order to address any anomalies or make other necessary adjustments. Exceptional circumstances will need to be demonstrated through this review process in order for the detailed boundary to be changed.		
CSA11	19	Para 1.33	Delivery: The scale of new homes entails a significant uplift in past rates of delivery from around 380 to <u>over 800 in the first five years and over 600 thereafter for the Plan period around 700 per annum</u> although as set out in the SHLAA, the overall trajectory of provision is determined by the performance of individual locations. The provision of new jobs is dependent on national economic performance and objectives in the Council's Economic Strategy being realised through the interventions outlined in the Council's Regeneration Delivery Plans, in particular the objective for economic growth of 10,170 <u>10,300</u> jobs. There is scope with the spatial strategy to deliver an even greater number of jobs in line with the Economic Strategy through 'smart growth' and <u>Enterprise Area proposals</u> and where this does not unacceptably harm the District's environment.	-	Amendment arising from response to ID/40 and current evidence base.
CSA12	19	Para 1.34	1.34 The need for affordable housing in the district is high and the Core Strategy seeks to maximise the provision within the context of the spatial strategy and deliverability. The overall housing figure has therefore been boosted in order to increase provision of affordable housing. This would provide around 3,000 <u>3,110</u> affordable homes during the plan period.	-	Amendment arising from response to ID/40.
CSA13	20	Para 1.36	Flexibility: The Core strategy recognises the need to be	-	Amendment arising from response to

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			responsive in light of future uncertainty and unforeseen circumstances. The spatial strategy therefore enables the identification of a 5 year land supply with a 20% buffer to reflect previous under delivery. The level of housing being planned for also provides significant flexibility and choice of sites in the event that some sites are delayed in coming forward or growth is greater than anticipated. The Council will monitor delivery rates in the plan period which will shape the <u>early first</u> review of the Core Strategy programmed for around 2016 to co-ordinate with the other West of England districts.		ID/40.
CSA14	20	Policy DW1	<p>POLICY DW1 District-wide spatial Strategy</p> <p>The overarching strategy for B&NES is to promote sustainable development by:</p> <p>1: focussing new housing, jobs and community facilities in Bath, Keynsham, Midsomer Norton and Radstock and <u>the Somer Valley</u> particularly ensuring:</p> <p>a: there is the necessary modern office space in Bath within or adjoining the city centre to enable diversification of the economy whilst maintaining the unique heritage of the City</p> <p>b: sufficient space is available in Keynsham to reposition the town as a more significant business location whilst retaining its separate identity</p> <p>c: there is deliverable space to enable job growth in the towns and principal villages in the Somer Valley to create a thriving and vibrant area which is more self-reliant socially and</p>		Amendments to expression of the housing requirement reflecting evidence base. Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			<p>1. Role of Newbridge and Twerton Riversides (including the Bath Press)</p> <p>These locations form the western extent of the City of Ideas Enterprise Area</p> <ul style="list-style-type: none"> Newbridge Riverside will function as Bath's primary location for industrial enterprise, providing about 12 ha of land at Locksbrook Road, Brassmill Lane and the Maltings for a range of activities including advanced manufacturing. There is therefore a presumption in favour of retaining land and premises in the <u>B1, B2 and B8</u> use class where this remains a viable use of land and is supported by market signals that there is demand for continued occupation that cannot reasonably be accommodated elsewhere. Twerton Riverside has contracted as an industrial location in recent decades. This area is suitable for a broader range of uses and there is scope to redevelop the area to provide new business (<u>B1a, b and c</u>) premises and housing. The area presents an opportunity to host business that is displaced as a consequence of the residential led development of Western Riverside and the growth of the intensification of the Central Area into BWR East. Whilst Newbridge Riverside will remain the core industrial location, Twerton Riverside can provide additional flexibility. It will therefore be necessary to maintain an appropriate level of land in this area for B1c uses alongside office uses and housing. 		<p>To clarify that this is a multi-functional industrial area. References to B2 and B8 omitted in error. Land is currently allocated for these uses in the adopted Local Plan.</p> <p>Originally written as B1a-c (i.e. B1a through to B1c and not excluding B1b). Inspector interpreted as excluding B1b. This was not the case but amendment is made for clarity to avoid misinterpretation by others.</p>
CSA20	-	Para 2.30A	<p>Development on the edge of Bath</p> <p>In order to meet the need for additional housing within the District during the Plan period development needs to be provided for in three locations on the edge of Bath on land</p>	SPC87	Amendment to address the Inspector's concerns over housing delivery (see ID/40) by allocating strategic sites, removing land from

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			adjoining Odd Down; Weston; and MoD, Ensleigh, Lansdown. In two of these locations (at Odd Down and Weston) land needs to be <u>is</u> removed from the Green Belt. The Placemaking Plan will identify and allocate the sites for development and, where relevant, will define the revised detailed Green Belt boundary <u>Through Policies B3A and B3B respectively land is allocated for residential led development adjoining Odd Down and Weston and a revised detailed Green Belt boundary is defined. Policies B3A and B3B also outline the place-making principles to be met in delivering development on these sites. The place-making principles are also indicated on concept diagrams for each site.</u>		the Green Belt and defining a revised detailed boundary through the Core Strategy rather than through the Placemaking Plan.
CSA21	-	Para 2.30B	National planning policy makes it clear that when altering Green Belt boundaries a long term view needs to be taken to ensure that boundaries endure beyond the plan period. Where necessary this can include plans identifying areas of safeguarded land to meet longer term development needs. At both Weston and Odd Down environmental sensitivity and the need to minimise harm means that there is no scope to identify safeguarded land for the longer term. Policies B3A, B3B and B3C outline the planning requirements for each of the three locations which need to inform identification and allocation of the sites in the Placemaking Plan and delivery of the sites through a planning application.	SPC87	Amendment to address the Inspector's concerns over housing delivery (see ID/40) by allocating strategic sites, removing land from the Green Belt and defining a revised detailed boundary through the Core Strategy rather than through the Placemaking Plan.
CSA22	-	Policy B3A	<u>Land adjoining Odd Down, Bath Strategic Site Allocation</u> <u>Policy B3A</u>	SPC88	Amendment to address the Inspector's concerns over housing delivery (see ID/40) by allocating strategic sites, removing land from

			<p><u>11 Avoid development of areas of High Risk in terms of slope or underlying geology, unless satisfactory remediation work can be demonstrated by the developer to be effective and safe. A full ground investigation survey to determine the site specific ground conditions should be undertaken to inform the Masterplan.</u></p>		
CSA26	-	New diagram	<i>Land adjoining Weston - Concept Diagram 1 (see Annex 1, p58)</i>	-	Concept Diagram as referred to in Policy B3B (see above)
CSA27	-	New diagram	<i>Land adjoining Weston - Concept Diagram 2 (see Annex 1, p59)</i>	-	Concept Diagram as referred to in Policy B3B (see above)
CSA28	-	Policies Map	<i>Amend the Policies Map to shown the boundary of the strategic site allocation for Land adjoining Weston, Bath and the revised Green Belt boundary. (see Annex 2, p66)</i>	-	Consequential changes arising from the need to release land from Green Belt to allow for the allocation of strategic sites to address issues raised in ID/40.
CSA29	-	Policy B3C	<p>POLICY B3C Extension to MOD, Ensleigh Land adjoining Ensleigh MOD site as shown on the Key Diagram is identified for the development of 120 dwellings during the Plan period. The Placemaking Plan will allocate a site for comprehensive residential led mixed use development comprising the Ensleigh MOD site and the land adjoining it. The planning requirements relating to the land adjoining the Ensleigh MOD site are set out below. For the Ensleigh MOD site the planning requirements are set out in the Concept Statement for the Ensleigh MOD site.</p> <p>Planning requirements for land adjoining Ensleigh MOD</p>	SPC90	Policy as previously proposed has the effect of requiring provision of the primary school on the Royal High School Playing Field (i.e. the land adjoining the MOD site) – this is an error as the intention is that a primary school be provided somewhere on the larger site (including the MOD site) through a comprehensive development.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			<p>site:</p> <p>a.</p> <p>l. Educational needs generated by the development must be met; a primary school is to be provided on the <u>larger site comprising the Ensleigh MOD site and the land adjoining it, unless an alternative solution can be found and agreed with the Education Authority.</u></p> <p>m. Provide integrated waste management infrastructure.</p> <p>n. Ensure that displaced playing pitches are re-provided at an appropriate and suitable location.</p>		
CSA30	54	Policy B5	<p>POLICY B5 Strategic Policy for Bath's Universities</p> <p>University of Bath - Claverton Down Campus</p> <p>To support the development and expansion of the University of Bath the strategy seeks, in accordance with saved Local Plan Policy GDS.1/11, the development of about 2,000 study bedrooms and 45,000 sq.m. of academic space at the Claverton Campus.</p> <p>Bath Spa University - Newton Park Campus</p> <p>Within the context of a strategic framework for the University's entire estate the strategy seeks the redevelopment and intensification of the Newton Park Campus to provide additional study bedrooms and academic space. <u>Through the Placemaking Plan the Council will be reviewing whether the Campus should continue to be designated as a MEDS and, if so, its boundary.</u> Proposals should accord with the NPPF, paragraph 89 <u>and future local planning policy in the Placemaking Plan</u> and seek to optimise opportunities for educational use and student accommodation within the current boundary of the Campus <u>or boundary of the MEDS</u></p>	SPC96	<p>Minor revisions to SPC96 to ensure that the Plan is clear on the scope of the review of MEDS intended to be undertaken through the Placemaking Plan.</p>

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			<p><u>if so defined in the Placemaking Plan</u>, before seeking to justify very special circumstances for development beyond them or a change to the development boundaries. In all circumstances regard should be had to the sites environmental capacity, the significance of heritage assets and the optimum development of the campus in this regard.</p> <p>Off-Campus Student Accommodation</p> <p>Proposals for off-campus student accommodation will be refused within the Central Area, the Enterprise Area and on MoD land where this would adversely affect the realisation of other aspects of the vision and spatial strategy for the city in relation to housing and economic development.</p>		
CSA31	65	Diagram 12	<p><i>Amendments to Diagram 12:</i></p> <ul style="list-style-type: none"> - <i>indicate the strategic site locations at the East and South West of Keynsham</i> <p><i>(see Annex 1, p60) to follow</i></p>	-	Consequential changes arising from the need to release land from Green Belt to allow for the allocation of strategic sites to address issues raised in ID/40.
CSA32	-	Para 3.19A	<p>Development on the edge of Keynsham</p> <p>In order to meet the need for additional development within the District during the Plan period, land needs to be <u>is</u> removed from the Green Belt to provide for housing and employment floor space in two locations on the edge of Keynsham on the eastern and south western <u>edge and to the south west</u> of the town. The Placemaking Plan will identify and allocate the sites for development and will define the revised detailed Green Belt boundary. <u>Through Policies KE3A and KE4 respectively land is allocated for residential and employment development adjoining east and south west Keynsham and a revised detailed Green Belt boundary is defined. Policies KE3A and KE4 also</u></p>	SPC118	Amendment to address the Inspector's concerns over housing delivery (see ID/40) by allocating strategic sites, removing land from the Green Belt and defining a revised detailed boundary through the Core Strategy rather than through the Placemaking Plan.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			<p><u>outline the place-making principles to be met in delivering development on these sites. The place-making principles are also indicated on concept diagrams for each site.</u> National planning policy makes it clear that when altering Green Belt boundaries consideration should be given as to whether land needs to be safeguarded to meet longer term development needs. <u>At south west Keynsham it is not considered there is any scope to identify safeguarded land. Policy KE3B safeguards land at East of Keynsham for development beyond the end of the plan period. The Placemaking Plan will consider whether there is any scope to identify safeguarded land at Keynsham. Policies KE3 and KE4 outline the planning requirements for each of these locations which need to inform identification and allocation of the sites in the Placemaking Plan and delivery of the sites through a planning application.</u></p>		
CSA33	-	Policy KE3A	<p style="text-align: center;"><u>Land adjoining East Keynsham Site Allocation</u></p> <p><u>Policy KE3A</u></p> <p><u>Land is removed from the Green Belt as shown on the Key Diagram and Policies Map in order to provide for residential and employment development with associated infrastructure.</u></p> <p><u>The requirements that need to be met to enable development are set out in the Placemaking Principles, Core Policies and indicated on the Concept Diagram. The Placemaking Principles, being site specific, take priority over the Core Policies.</u></p>	SPC119	<p>Amendment to address the Inspector's concerns over housing delivery (see ID/40) by allocating strategic sites, removing land from the Green Belt and defining a revised detailed boundary through the Core Strategy rather than through the Placemaking Plan.</p> <p>This text replaces the previous Policy KE3 (proposed change SPC119).</p>

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			<p><u>Placemaking Principles:</u></p> <ol style="list-style-type: none"> 1. <u>Residential development (to include 30% affordable housing) of around 250 dwellings in the plan period south of the A4 as shown on the concept diagram. The site should be developed at an average density of between 40 to 45 dwellings per hectare, with the higher densities closest to the A4.</u> 2. <u>Around 30,000sqm of employment floorspace within Use Classes B1 (b) & (c), B2 and B8 north of the A4 as shown on the concept diagram.</u> 3. <u>Preparation of a comprehensive Masterplan, through public consultation, and agreed by the Council, reflecting best practice as embodied in 'By Design' (or successor guidance), ensuring that development is well integrated with neighbouring areas.</u> 4. <u>Dwellings should front onto the A4 and have a positive relationship with all publically accessible routes. Development should face outwards towards the open countryside, adopting a perimeter block layout, with a clear distinction between the fronts and backs of properties.</u> 5. <u>Employment / industrial buildings should have a positive frontage onto the A4 and all publically accessible routes, and seek to avoid creating a corridor of parking and yards along the roadside.</u> 6. <u>Development should incorporate an element of traditional materials, including natural lias limestone.</u> 7. <u>Incorporation of green infrastructure, including on-site provision of well integrated allotments and play provision, and off-site enhancements to formal and</u> 		

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			<p><u>natural green space, including the provision of woodland and copse planting as an extension to Manor Road Community Woodland. New planting should maximise native species woodland edge habitat and provide for public access.</u></p> <p>8. <u>Existing hedgerows and hedgerow specimen trees should be retained and strengthened where shown on the concept diagram to provide a strong landscape and green infrastructure framework. Sufficient setback of development should allow for growth of trees, including within gardens and open spaces, which will eventually break up the rooflines and frame development.</u></p> <p>9. <u>Utilise the green corridors through the development to provide new shared pedestrian and cycle routes. Existing public rights of way should be retained, enhanced and connected with these new routes. Public space and footpaths should incorporate species-rich verges and grassland habitat.</u></p> <p>10. <u>The Roman road alignment and any surviving remains should be preserved by incorporating it into the development layout, preferably as open space or public footpath as part of the green infrastructure strategy.</u></p> <p>11. <u>Development to fully incorporate SuDS as part of the green infrastructure strategy. Streams and watercourses that cross the site should remain open, improved, and incorporated into the development as an attractive landscape and SuDS feature, with wetland habitat provided at in the North West part of the residential site.</u></p> <p>12. <u>Direct highway access from the residential site to be formed to the A4 and to the Chandag estate allowing a through bus route. The layout should be</u></p>		

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			<p><u>pedestrian and cycle dominant. A 'shared space' ethos for streets and spaces should prevail throughout the site. Connections to existing bus stops should be enhanced, with new stops provided within the site.</u></p> <p>13. <u>Direct highway access from the employment site to be formed to Pixash Lane.</u></p> <p>14. <u>The layout of the employment site should be designed to enable a future vehicular bridge over the railway line.</u></p> <p>15. <u>Off-site highway capacity improvements required, including the A4 and Broadmead roundabout, and Wellsway / Bath Road / Bath Hill junction.</u></p> <p>16. <u>Improve crossing facilities on the A4.</u></p> <p>17. <u>Improve pedestrian and cycle access to Wellsway School.</u></p> <p>18. <u>Development should be designed to allow future highway, pedestrian and cycle connections to the safeguarded land.</u></p> <p>19. <u>Land and contributions for a new Primary School on site will be required. The new school should be designed to facilitate future expansion, should have direct pedestrian and cycle access from the residential site and existing residential areas, and incorporate new junior playing pitches to be available for wider community use.</u></p> <p>20. <u>The solar energy potential of sites should be facilitated by design and orientation. Development will be expected to provide sufficient renewable energy generation to reduce carbon dioxide emissions from expected energy use in the buildings by at least 20%. Third party delivery options will be expected to have been considered and in exceptional circumstances Allowable</u></p>		

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			<p><u>Solutions may be utilised.</u></p> <p>21. <u>Non-residential developments of 1000m² or more will be expected to meet BREEAM Excellent (or equivalent) and smaller non-residential development will be expected to meet BREEAM Very Good (or equivalent) from 2014 onwards.</u></p> <p>22. <u>Downstream sewer improvements.</u></p>		
CSA34	-	Policy KE3B	<p><u>POLICY KE3B Safeguarded Land at East Keynsham</u></p> <p><u>Land shown on the Key Diagram and Policies Map is removed from the Green Belt and safeguarded for development beyond the end of the Plan period. The safeguarded land is not allocated for development at the present time and Policy CP.8 will apply during the Plan period. Planning permission for development of the safeguarded land will only be granted when it is proposed for development following a review of the Local Plan after 2029 and once sufficient transport infrastructure improvements in the A4 corridor have been secured.</u></p>	-	Amendment responding to Inspector's concerns raised in ID/40.
CSA35	-	New diagram	<p><i>Land adjoining East Keynsham - Concept Diagram (see Annex 1, p61)</i></p>	-	Concept Diagram as referred to in Policy KE3 (see above)

			(see Annex 2, p68)		strategic sites to address issues raised in ID/40.
CSA40	94	Para 5.13	In line with a national policy of restraint there will only be limited development in the rural areas to address the issues identified <u>above</u> . The Core Strategy directs <u>appropriate levels of small-scale</u> housing and employment development to the most sustainable villages where there is also development capacity and community support . Outside these villages development is more restricted. However, the need for local affordable housing and employment can also be met mainly through the exceptions policy and Local Plan rural diversification Policy ET.8. Community facilities and shops are generally acceptable within villages. This approach provides for the development of around 800 <u>1,120</u> homes and 500 jobs in the rural areas <u>during the plan period</u> .		Consequential amendments resulting from changes to Policy DW1.
CSA41	96	Para 5.20	Policy RA1 should be considered alongside Core Policy CP8 Green Belt. <u>Given the overall level of housing required during the plan period and the spatial strategy for meeting this requirement it is not considered that exceptional circumstances exist to warrant changing the inset boundaries at the villages excluded from the Green Belt that meet the criteria of Policy RA1. However, there may be opportunities to deliver some housing within the housing development boundary in these villages excluded from the Green Belt. Therefore, in accordance with the NPPF proposals for development in the Green Belt will therefore not be acceptable unless very special circumstances for development can be demonstrated.</u>	SPC139	Amendment arising from response to ID/40.
CSA42	96	Para 5.21	The 200 additional dwellings to be accommodated within the rural areas under the District-wide spatial strategy will be distributed as appropriate with <u>The strategy for the rural</u>	SPC140	Clarification.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			<p><u>areas therefore is to enable</u> small-scale housing developments of around 50 dwellings at each of the villages which meet the criteria of Policy RA1. This <u>The allocation of sites</u> will be considered in more detail through the Placemaking Plan in conjunction with Parish Councils as the locally elected representatives of their communities. The Housing Development Boundaries shown on the Proposals Map (saved from the existing Local Plan) will be reviewed as part of the Placemaking Plan to incorporate the sites identified and /or enable new sites to come forward. Sites identified in adopted Neighbourhood Plans that adjoin the housing development boundary of villages meeting the criteria of Policy RA1 will also be appropriate and these may come forward for inclusion as a part of the Placemaking Plan or subsequent to it.</p>		
CSA43	96	Policy RA1	<p>POLICY RA1 Development in the villages meeting the listed criteria</p> <p>At the villages <u>located</u> outside the Green Belt <u>or excluded from the Green Belt</u>, proposals for residential development of a scale, character and appearance appropriate to the village and its setting will be acceptable within the housing development boundary provided the proposal is in accordance with the spatial strategy for the District set out under policy DW1 and the village has:</p> <p>a: at least 3 of the following key facilities within the village: post office, school, community meeting place and convenience shop, and b: at least a daily Monday-Saturday public transport service to main centres</p> <p>At the villages which meet these criteria, development</p>	SPC143	Clarification that Policy RA1 applies to villages excluded from the Green Belt which meet the Policy criteria.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			<p>sites <u>outside the Green Belt</u> will also be identified in the Placemaking Plan and the housing development boundary will be reviewed accordingly to enable delivery during the Plan period of 4,110 <u>1,120</u> dwellings identified on the Key Diagram. Residential development on sites <u>outside the Green Belt and</u> adjoining the housing development boundary at these villages will be acceptable if identified in an adopted Neighbourhood Plan.</p> <p>Proposals at villages <u>located</u> outside the Green Belt <u>or excluded from the Green Belt</u> for employment development of a scale, character and appearance appropriate to the village and its setting will be acceptable within and adjoining the housing development boundary <u>on land outside the Green Belt</u>.</p>		
CSA44	-	Para 5.42A	<p>Development at Whitchurch <u>Whitchurch meets the criteria of Policy RA1. In accordance with Policy RA1 development of around 50 dwellings can come forward on land at Sleep Lane already removed from the Green Belt in the Adopted Bath & North East Somerset Local Plan and safeguarded for development beyond 2011. In order to meet the need for additional development within the District during the Plan period and given the village's close proximity and accessibility by sustainable means of transport to the employment, services and facilities in Bristol, land needs to be is removed from the Green Belt to provide for further housing at Whitchurch. The Placemaking Plan will identify and allocate the site for development and will define the revised detailed Green Belt boundary. Through Policy RA5 land is allocated for development of around 200 dwellings and a revised detailed Green Belt boundary is defined. Policy RA5 also</u></p>	SPC145	Amendment to address the Inspector's concerns over housing delivery (see ID/40) by allocating strategic sites, removing land from the Green Belt and defining a revised detailed boundary through the Core Strategy rather than through the Placemaking Plan.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			<p><u>outlines the place-making principles to be met in delivering development. The place-making principles are also indicated on a concept diagram.</u> National planning policy makes it clear that when altering Green Belt boundaries consideration should be given as to whether land needs to be safeguarded land to meet longer term development needs. <u>Given the close relationship of the village with Bristol the need for and scope to identify safeguarded land will be considered as part of the Core Strategy review.</u> In defining the detailed Green belt boundary the Placemaking Plan will consider whether there is any scope to identify safeguarded land. Policy RA5 outlines the planning requirements for development in this location, which need to inform identification and allocation of the site in the Placemaking Plan and delivery of development through a planning application.</p>		
CSA45	-	Policy RA5	<p style="text-align: center;"><u>Land at Whitchurch Strategic Site Allocation</u></p> <p><u>Policy RA5</u></p> <p><u>Land is removed from the Green Belt as shown on the <i>Key Diagram and Policies Map</i> and allocated for residential development and associated infrastructure during the Plan period.</u></p> <p><u>The requirements that need to be met to enable development are set out in the Placemaking Principles, Core Policies and indicated on the <i>Concept Diagram</i>. The Placemaking Principles, being site specific, take priority over the Core Policies.</u></p>	SPC146	<p>Amendment to address the Inspector's concerns over housing delivery (see ID/40) by allocating strategic sites, removing land from the Green Belt and defining a revised detailed boundary through the Core Strategy rather than through the Placemaking Plan.</p> <p>This text replaces the previous Policy KE4 (proposed change SPC146).</p>

Non-Residential*															
CSA49	120	Para 6.63	<p>Core Policy CP8 conforms with national policy which also states that the general extent and detailed boundaries of the Green Belt should be altered only exceptionally. The Core Strategy retains the general extent of the Green Belt in B&NES other than the removal of land from the Green Belt <u>for development on the edge of Bath and Keynsham and Bristol at Whitchurch</u> as set out in Policy DW1 and Policies B3A, B3B, KE3A and B, KE4 and RA5. The revised boundaries in these locations will be established through the Placemaking Plan. The Placemaking Plan also provides the opportunity for a review of the inner detailed boundary, such as to address anomalies. In accordance with the NPPF Green Belt boundaries will only be altered in exceptional circumstances.</p>		Amendment arising from response to ID/40.										
CSA50	-	Para 6.63A	<p><u>In altering the Green Belt and allocating strategic sites for development and in response to the NPPF paragraph 85, the issue of safeguarded land will be considered in the Placemaking Plan the need to identify safeguarded land to meet longer term development requirements has been considered. At both Weston and Odd Down on the edge of Bath environmental sensitivity means that there is no scope to identify safeguarded land. It is also considered there is no scope to identify safeguarded land at south west Keynsham. However, land is safeguarded for development beyond the Plan period at East of Keynsham. At Whitchurch the need for and scope to identify safeguarded land will be considered as part of the Core</u></p>	SPC172	Amendment necessary in responding to the Inspector's concerns outlined in ID/40.										

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			<u>Strategy review.</u>		
CSA51	120	Para 6.64	In light of the opportunities for development in the plan period, most of the urban area of Keynsham continues to be excluded from the Green Belt and an Inset <u>a revised inner boundary</u> is defined on the Proposals Map. There are a number of villages which meet the requirements of national policy in the NPPF and continue to be insets within <u>excluded from</u> the Green Belt as established in the Bath & North East Somerset Local Plan. The Inset boundaries will be reviewed through the Placemaking Plan and through Neighbourhood Planning. Exceptional circumstances will need to be demonstrated through this review process in order for any changes to the Inset boundaries to be made. <u>Given the overall level of housing required during the plan period and the spatial strategy for meeting this requirement it is not considered that exceptional circumstances exist to warrant changing the Inset boundaries for these villages.</u> Some sites may come forward in the Green Belt under the Government's proposals for Community Right to Build.		Amendment arising from response to ID/40.
CSA52	-	Para 6.64A	Within the Green Belt a number of MEDS are currently defined on the Proposals Map. Within the MEDS B&NES Local Plan Policy GB.3 allows for limited redevelopment or infill which does not harm the openness of the Green Belt or affect the purposes of including land within it. <u>Within the context of national policy the Council will, through the Placemaking Plan, be reviewing whether MEDS should continue to be designated and, if so, the sites to be designated and their boundaries.</u>	SPC174	Clarification of scope of MEDS Review through intending to be taken through the Placemaking Plan – see BNES/47 (p43) in response to ID/36.
CSA53	134	Paras 7.05 – 7.05 d	7.05 The Core Strategy is anticipated to <u>is programmed to</u> be reviewed about every 5 years <u>to enable flexibility in</u>	SPC203	Response to Inspector's conclusions on geographic scope of the SHMA set out in ID/39.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			<p><u>response to changing circumstances. The review will be informed by regular monitoring as set out in Table 9 as well as ensuring that the Core Strategy evidence base remains up-to-date.</u> The review process will commence around 2 to 3 years in advance of the review date in order to enable the timely and considered preparation and adoption of revised policies. <u>However In light of the Duty to Co-operate, the first review will be timed to enable co-ordination with the review of the Core Strategies of adjoining Authorities in the West of England.</u></p> <p>Delivery 7.05a If, after the first 5 years following adoption monitoring demonstrates that the planned housing provision, including affordable housing, is not being delivered at the levels <u>being planned for</u> expected and there would be no reasonable prospect of the planned delivery of 42,700 homes to 2029, then <u>changes will be made to</u> the review of the Core Strategy will entail changes to rectify the housing shortfall taking account of the impact of the performance of the economy on the need for and delivery of housing. This may include changes to the spatial strategy if required.</p> <p>Review of growth targets 7.05b The Council will also monitor economic growth rates, to assess whether <u>planned targets for workspace</u> being planned continue to be appropriate. If required the Council will agree revised targets, <u>taking account of the West of England Strategic Economic Plan,</u> and make any necessary changes to the spatial strategy to meet the new targets <u>if necessary</u>.</p> <p>Duty to Co-operate</p>		

Change Ref	Page No in Draft Core Strategy	Plan Ref	Core Strategy Amendments (November 2013)	Previous change Ref	Reason for change
			<p><u>7.05c These Plan reviews will be undertaken in co-operation with neighbouring authorities, particularly in the West of England in accordance with the Duty to Co-operate to ensure that cross-boundary issues are addressed. This will include a review of the plan period. The timetable for preparing other the review of Local Development Documents is set out in the Council's Local Development Scheme.</u></p> <p><u>7.05d Arrangements are already underway to review the West of England SHMA in preparation for a review of West of England Core Strategies in around 2016. This will entail a co-ordinated response to the outputs of the updated SHMA. The SHMA review includes a review of the Housing Market Area.</u></p> <p><u>7.05e If the SHMA review demonstrates the continued existence of separate housing market areas for Bath and Bristol, then under the duty to co-operate, B&NES will continue to work closely with the adjoining West of England authorities to consider the most appropriate proposals for accommodating housing needs that could not otherwise be met within the Bristol Housing Market Area.</u></p> <p><u>7.05f If the SHMA review indicates that B&NES is part of the West of England HMA, and additional strategic housing provision is required, its delivery will be determined on a West of England-wide basis through the duty to cooperate.</u></p>
