Dear Sir

FOOTPATH OFF LYNCOMBE VALE ROAD, BATH

Thank you for your letter of 26th May 1983 and I note that you are acting for the new owners of Lyncombe Vale School.

I presume you are aware that Dr. Simpson had asked that his solicitors should see the evidence presented to Avon C.C. in support of the claim for a public right of way in the school grounds. Approval for their evidence to be passed to the solicitors has been obtained from the claimants and copies of the relevant documents are enclosed for your perusal.

I would be obliged if you would let me have your clients' comments regarding his claim, particularly as to whether or not they are willing to accept that the path is a public right of way. If you wish to discuss the matter further please do not hesitate to contact me again.

Yours faithfully

PSL
