Dear 

Re: Diversion Application for AQ34

I am writing to confirm receipt of your application to have public footpath AQ34 diverted.

Applications are dealt with chronologically and, because there are a number of outstanding applications, I'm afraid that your application will not be dealt with until towards the end of the year. I look forward to receiving a letter of consent from the National Trust in due course and once your application reaches the top of our list and starts to be progressed, I will write and let you know.

If in the meantime you have any queries please do not hesitate to contact me.

Yours sincerely
