Dear Carol

Please find attached a redrafted Order Map. The distance from D to E has increased to 170 metres, so the Order Schedule will need amending accordingly.

Have a good weekend and I'll speak to you soon,

Graeme.

Dear Graeme

Attached is - I hope! - the information for the final change to the draft order plan. It gives the alignment required for the path from D to J. The alignment from J does not require any change.

many thanks  
Carol
