

FOR THE ATTENTION OF ALL PUBLIC FOOTPATH USERS

B&NES Council are proposing to change the Public Rights of Way network in respect of Public Footpath CL3/39 in the Parish of Chew Magna

The general effect of the proposal is shown on the above plan.

The section of the footpath commencing from grid reference ST 5860 6078 (point A on the plan) proceeding in a generally south-westerly direction for approximately 164 metres to grid reference ST 5848 6068 (point B on the plan) would be stopped up, as shown by a continuous black line. The new line of the footpath would commence from grid reference ST 5860 6078 (point A on the plan) and proceed in a generally south-westerly direction for approximately 119 metres to grid reference ST 5852 6070 (point C on the plan), as shown by a dashed black line.

These changes are proposed in the interests of the occupier of the land, to divert the footpath away from his home.

The changes would be achieved by way of a diversion order made under section 119 Highways Act 1980. The new path would be created without any limitations; however the proposed new footpath would cross field boundaries into land currently used to rear livestock. It will therefore be necessary to authorise a pedestrian gate at point D on the plan, under section 147 of the Act, to prevent the ingress and egress of these animals.
