

FOR THE ATTENTION OF ALL PUBLIC FOOTPATH USERS

Bath and North East Somerset Council are proposing to change the Public Rights of Way network at Somerdale, Keynsham Hams, Keynsham

Bath and North East Somerset Council are consulting on a proposal to create a public footpath running from a junction with Drylease, Keynsham (point A on the above plan) in a generally north westerly direction for approximately 664 metres to point B, running over an already tarmacked path. The footpath would then turn in a generally westerly direction for approximately 664 metres, across a new bridge at point C, to a junction with Durley Lane at point D. The surface of this section will remain unsurfaced. The proposed route is shown on the above plan by a dashed green line. The legal width of the path would be 3 metres from point A to B and 2 metres from point B to D.

If you have any comments regarding the above proposals, please send them to the **Public Rights of Way, Lewis House, Manvers Street, Bath, BA1 1JG** or by email to prow@bathnes.gov.uk no later than **24th February 2022**. If you wish to discuss the proposal please phone 01225 394161.
