

FOR THE ATTENTION OF ALL PUBLIC FOOTPATH USERS

Bath and North East Somerset Council are proposing to change the Public Rights of Way network by creating a bridleway at Abbots Wood, Keynsham

The general effect of the proposal is shown on the plan above, shown as a black dotted line. The line of the public bridleway would run from a junction with Skylark Drive at grid reference ST 6448 6733 (point A on the plan above) in a generally easterly direction for approximately 266 metres to a junction with Public Footpath BA27/15 at grid reference ST 6474 6732 (point B) continuing in a generally easterly direction for approximately 94 metres to a junction with Abbotswood Close at grid reference ST 6482 6735 (point D).

The changes would be achieved by way of a creation order made under section 26 of the Highways Act 1980. It is proposed that the new path would be created with a tarmac surface for a width of 3 metres and with limitations of bollards at point A and point C. The bridleway is intended to provide a convenient and enjoyable route for cyclists and pedestrians.
