

# FOR THE ATTENTION OF ALL PUBLIC FOOTPATH USERS

## B&NES Council are proposing to change the Public Rights of Way network in respect of Public Footpath CL20/5 in the Parish of Stowey Sutton

The general effect of the proposal is shown on the above plan.

The section of the footpath commencing from grid reference ST 5978 5990 at point A on the plan proceeding in a generally easterly direction to point C, via point B would be stopped up, as shown by a continuous black line. The new line of the footpath would commence from point A and proceed in a generally easterly direction to point C, via point B, as shown by a dashed black line. **The new footpath will be two metres wide along its entire length.**

These changes are proposed in the interests of the occupier of the land, to divert the footpath further away from her home.

The changes would be achieved by way of a diversion order made under section 119 Highways Act 1980.
