

Bath and North East Somerset Council are proposing to change the Public Rights of Way network at Minerva Bath Rowing Club, Newbridge

The general effect of the proposal is shown on the attached plan. A section of Public Footpath (FP) BC15/1 commencing from a junction with FP BC15/2 at grid reference ST 7175 6587 continuing in a generally northerly direction for approximately 96 metres to grid reference ST 7177 6596 would be stopped up, as shown on the attached plan by a continuous red line between points A–B. The new line of the FP would commence from a junction with FP BC15/2 at grid reference ST 7177 6589 in a generally northerly direction for approximately 55 metres to grid reference ST 7177 6594 and turning in a generally north northeasterly direction for approximately 20 metres to grid reference ST 7177 6596, as shown on the plan by a continuous green line between points C–D–B.

These changes are proposed to enable development to be carried out in accordance with planning permission 23/01861/FUL and would be achieved by way of a diversion order made under section 257 of the Town and Country Planning Act 1990. The new footpath will be 2 metres in width.
