

FOR THE ATTENTION OF ALL PUBLIC FOOTPATH USERS

B&NES Council are proposing to divert a section of public footpath CL10/20 in the Parish of Farrington Gurney.

The general effect of the proposal is shown on the adjacent plan.

The section of the footpath commencing from grid reference ST 6281 5573 at point A on the plan and proceeding in a generally northerly direction to grid reference ST 6282 5560 at point B would be stopped up, as shown by a continuous black line. The new line of the footpath would commence from point A and proceed in a generally northerly direction to grid reference ST 6281 5560 at point C, as shown by a dashed black line. **Notwithstanding the proposed diversion, the landowners intend to retain the old stone stile at Point B.**

These changes are proposed in the interests of the relevant landowners, to divert the footpath away from their land.

The changes would be achieved by way of a diversion order made under section 119 of the Highways Act 1980 ('the Act').

If you have any comments regarding the above proposals, please ensure that they are received by the Public Rights of Way team **no later than 20 October 2023**.
