

**Addendum to the Bath and North East Somerset Annual Monitoring Report, 'Breakdown of 5 Year Supply Components' table, page 29.**

A typo has been identified in the totals row (final row) of this table. The table indicates the 5 year deliverable supply as 3300, and this should read **3345**.

**Breakdown of 5 Year Supply Components**

TOTAL	7720	884	<b>3345</b>
-------	------	-----	-------------
