## **COMMUNITY INFRASTRUCTURE LEVY DRAFT CHARGING SCHEDULE**

### **The Charging Authority**

The Charging Authority is the Bath and North East Somerset District (B&NES) Council.

### **Date of Approval**

The Council approved this CIL Charging Schedule on [date to be inserted following examination and Council approval].

### **Date of Effect**

The CIL Charging Schedule takes effect on [date to be inserted following examination and Council approval].

### **Statutory Compliance**

In preparing this Draft Charging Schedule, B&NES Council has complied with the requirements set out in Part 11 of the Planning Act 2008 (as amended) and the Community Infrastructure Levy Regulations 2010 (as amended).

In setting the CIL rates, the Council has struck an appropriate balance between:

- The desirability of funding from CIL, in whole or in part, the estimated cost of infrastructure required to support the development of its area, taking into account other actual and expected sources of funding, and
- The potential effects, taken as a whole, of the imposition of CIL on the economic viability of development across its area

### Calculation of CIL Charge

CIL charges will be calculated in accordance with CIL Regulation 40 (as amended) of the Community Infrastructure Levy Regulations 2010 (as amended). The chargeable amount will relate to the net additional Gross Internal Area and the CIL rate as set out in the Charging Schedule, index linked using the Royal Institution of Chartered Surveyors' All-in Tender Price Index figures for the year in which the planning permission is granted and the year in which this charging schedule took effect.

A summary of how the CIL charge will be calculated is as follows:

$$\frac{\text{CIL Rate (R)} \times \text{Chargeable Gross Internal Area (A)} \times \text{BCIS Tender Price Index (Ip)}}{\text{BCIS Tender Price Index (Ic)}}$$

where

R= CIL Rate as set out in the Charging Schedule for relevant use/ area

A = net increase in gross internal floor area

Ip = The BCIS All-in Tender Price Index for the year in which planning permission was granted

Ic = The BCIS All-in Tender Price Index for the year in which the charging schedule containing rate R took effect (and the figure for a given year is the figure for 1st November of the preceding year )
