**Part B – Representations**

Please include your name/organisation on each separate sheet used.

**Comments:**

Reginald Williams  
Section 6.2 Regulation 123

The Strategic Transport Infrastructure provision appears not to include any provision for the thousands of extra vehicles that will appear on the roads as a result of the substantial increase in houses along the A4 corridor and in particular through the village of Salford. Salford is already a bottleneck at peak times and suffers excessive Nitrogen Dioxide pollution.,
