Comments:

We support the setting of a nil rate for 'All other development' as D1, D2 and some sui generis uses (e.g. theatres), particularly those run by charities and community groups, often do not generate sufficient income streams to cover their costs. Consequently, they require some form of subsidy to operate and this type of facility is very unlikely to be built by the private sector.

Continue on a separate sheet if necessary. Please include your name/organisation on each separate sheet used.

Please note that the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.

Representations may be accompanied by a request to be notified at a specified address of any of the following: that the Draft Charging Schedule has been submitted for independent examination; the publication of the recommendations of any person appointed to carry out an independent examination of the Draft Charging Schedule and the reasons behind those recommendations; and the approval of the Charging Schedule.
