

## Statement of Common Ground

### B&NES Core Strategy – Strategic Site Allocation Land at Weston (Proposed Policy B3B)

D2 Planning on behalf of The Silverwood Partnership  
**and**  
Bath & North East Somerset Council

6<sup>th</sup> February 2014

## 1.0 Introduction

- 1.1 In his note of 3<sup>rd</sup> January 2013 ([ID/44](#)) the Inspector outlined his requirements in terms of Statements of Common Ground that he would like to be prepared in advance of his preparation for the hearings in March/April 2014. He has also confirmed the dates and scope of coverage for these hearing sessions.
- 1.2 The Inspector has requested that the Council and the various owners/developers/promoters of the Green Belt sites proposed for allocation in the November 2013 Amendments should prepare Statements of Common Ground relating to delivery and environmental impact of those allocations as per the Council's proposals in the following revised policies:
  - B3A Land Adjoining Odd Down, Bath
  - B3B Land Adjoining Weston, Bath
  - KE3A Land Adjoining East Keynsham
  - KE4 Land Adjoining South West Keynsham
  - RA5 Land at Whitchurch
- 1.3 The deadline for submission of copies of these Statements of Common Ground to the Inspector is noon on 14<sup>th</sup> February 2014 (with hard copies in advance of this); the Council has a working deadline of **7<sup>th</sup> February** in order to ensure timely completion.
- 1.4 The Inspector has specified that the Statements of Common Ground, should include (but not be limited to the items listed below), this template covers these issues accordingly:
  - Delivery: Availability/start on site/likely annual completions (assuming that the Core Strategy is adopted by Autumn 2014).
  - Evidence already submitted relating to the main documents, including the evidence from landowners/developers included in the Core Documents or submitted with representations to the November consultation.
  - The Statement of Common Ground should make clear which parts of evidence are agreed and where there is disagreement briefly the main reasons for that disagreement.
- 1.5 The Inspector has suggested that the Statements of Common Ground may need to involve parties not currently active in the Examination, but they will only have a right to be heard if they have already made representations at an appropriate opportunity. The Council considers that this relates primarily to landowners who have not previously been involved in the examination process prior to Nov-Dec 2013.
- 1.6 In addition, Statements of Common Ground between the Council and other promoters in relation to their suggested alternative or enlarged proposals are welcomed by the Inspector as separate submissions (following this same structure).

## 2.0 Description of the site

- 2.1 This Statement relates to the three parcels of land in the control of the Silverwood Partnership, that are included in the proposed allocation at Weston (draft policy B3B). This land totalling 3 hectares is illustrated in **Appendix 1**.
- 2.2 The Silverwood Partnership has confirmed that they are acting on behalf of the landowners, Mr A. and Mrs J. Comely.
- 2.3 There are 3 areas of land which are shown on the attached plan as **Appendix 1** as follows:
  - i) Area A comprising some 0.38 hectares which contains a residential property garden and paddock;
  - ii) Area B. Land to the east of Lansdown Lane comprising some 1.3 hectares of agricultural land;
  - iii) Area C. Land which forms part of the equestrian centre comprising 1.32 hectares.

## 3.0 Delivery

- 3.1 The site is included in the SHLAA as available, suitable and deliverable for development (SHLAA, November 2013 - CD10/E19 Appendix 1b). This is also re-confirmed by the landowner in their submission to the latest Core Strategy consultation (December 2013).
- 3.2 The SHLAA trajectory November 2013 assumes that 150 dwellings would be completed within the first five years of the Plan period at Weston, with all development complete by 2018/19. All of the land under the control of the Silverwood Partnership immediately available and both parties consider that development is deliverable in the first five years of the Plan period. The Silverwood Partnership has confirmed that the landowner wishes to proceed with a planning application as soon as practically possible. They have instructed a consultant team to investigate a range of issues including transportation, biodiversity, archaeology, landscape, utilities etc. It is the intention that an application or applications will be prepared and submitted by the end of 2014.
- 3.3 The Silverwood Partnership has confirmed that the landowner has held discussions with the adjoining landowners Mr R. Perry and the Equestrian Centre and that they are amenable to collaborating to enable the delivery of the development.
- 3.4 There is no further planning history for this site of note.
