

Bath and North East Somerset

**Schedule of Proposed Changes to the
Submitted Core Strategy**

March 2013

**Bath & North East
Somerset Council**

Bath and North East Somerset
Local Development Framework

The Core Strategy is the principal planning document in the district to 2029. The strategy is currently being examined by a Government Planning Inspector. The examination has been suspended to allow the Council to respond to concerns expressed by the Inspector, including the numbers of homes to be provided.

In March 2013 the Council agreed a strategy to address the Inspector's concerns that includes the provision of additional land for housing and employment development on the edge of Bath (Lansdown, Odd Down and Weston), on the edge of Keynsham (east and south west), at Whitchurch village, in rural areas and the Somer Valley.

This schedule lists Proposed Changes to the 'Submitted Core Strategy' including those which the Council considers address the issues raised by the Inspector and changes arising from the previous hearings.

This consultation is your chance to make your views known to the Planning Inspector to inform the next stage of the examination.

All comments received between **26th March and 8th May 2013** on these Proposed Changes will be forwarded to the Inspector for his consideration.

Preface

Background

The Core Strategy Examination has been suspended until June 2013 for the Council to undertake further work to address matters of 'soundness' as set out in the Inspector's Preliminary Conclusions (ID/28 and ID/30).

The Inspector has asked the Council to publish and consult on all proposed changes to the Core Strategy that was submitted for Examination in May 2011 which have not already been the subject of consultation, including those changes discussed at the Hearings in 2012 and those suggested by the Council arising from the subsequent work undertaken since the Hearings (ID/28). He has requested that the changes are expressed as changes to the Submitted Core Strategy (ID/29).

Submitted Core Strategy

The Core Strategy submitted for Examination in May 2011 comprises the Draft Core Strategy (December 2010) plus a Schedule of Proposed Changes to the Draft Core Strategy (March 2011) approved under delegated arrangements agreed by Council in December 2010.

Previous changes proposed to the Core Strategy (2011 – 2012)

In response to the Inspector's preliminary comments and questions in ID/1 and ID/4 issued prior to the Hearings the Council consulted on a Schedule of Significant Proposed Changes in September 2011. This schedule included those proposed changes from the Schedule of Proposed Changes (March 2011) submitted with the Draft Core Strategy which the Inspector considered were 'significant' plus others to address matters of soundness. At the same time the Council consulted on a Schedule of Potential Changes arising from the Draft National Planning Policy Framework as requested by the Inspector ID/3.

The Council has since compiled a list of additional suggested 'Rolling Changes' to the 'Submitted Core Strategy' arising from consideration of comments made by the Inspector and objectors on the Core Strategy through discussion at the Examination Hearings in January 2012. They were published February 2012 and comments invited by the Inspector from interested parties but there was no formal consultation on these changes at the time.

Consultation on the Proposed Change to the Submitted Core Strategy (2013)

This schedule lists Proposed Changes to the 'Submitted Core Strategy' including those which the Council considers address the issues raised by the Inspector in ID/28 and ID/30. These Proposed Changes comprise:

- changes from the Schedule of Significant Proposed Changes (September 2011) that result in a change to the Submitted Core Strategy (see note below)
- all changes from the Schedule of Rolling Changes (February 2012)
- all new changes coming out of Suspension review work 2013 to address issues in ID/28 and ID/30 which includes any further changes to those set out in the September 2011 schedule.

The Proposed Changes to the Submitted Core Strategy are prefixed 'SPC' and the source of each change is indicated in the schedule. The significant proposed changes already consulted on in September 2011 that result in a change to the 'Submitted Core Strategy' are included in the schedule for completeness, but are shaded grey as they are not part of this consultation and comments are therefore not invited on them.

The Inspector has asked for comments on the Proposed Changes to the Submitted Core Strategy so that he has a full range of views when examining the soundness of the Core Strategy. If you wish to submit comments you are strongly encouraged to use the representation form and to submit it by email to planning_policy@bathnes.gov.uk. All comments received between **26th March and 7th May 2013** on these Proposed Changes will be forwarded to the Inspector for his consideration.

Please note that deletions to existing text are shown as ~~strike through~~ and additional text is shown as underlined.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
SPC0	-	Plan title	Amend the title of the Core Strategy as follows: Bath and North East Somerset Core Strategy <u>Part 1 of the Local Plan</u>	-	The submitted Core Strategy was prepared before the Localism Act 2012. Development management policies and site allocations are planned to come forward in the Placemaking Plan. Under the new Planning Regs and NPPF (2012), local planning authorities are charged with preparing a Local Plan which should now preferably be a single document. The Council is committed to taking forward the Core

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
					Strategy to adoption and is also in the process of preparing the Placemaking Plan which will set out the more detailed policy framework in the context of the Core Strategy. Effectively these two documents together will form a Local Plan under the new regime - one setting out the strategic plan and the other setting out the detail. It is therefore proposed that the Core Strategy will include the subtitle 'Part 1 of the Local Plan'. The Placemaking Plan will be subtitled 'Part 2 of the Local Plan'. This will help to reinforce the intrinsic relationship between the two documents, and will be in line with the new regime introduced by the NPPF.

			companies to expand and the city to better respond to external demand		
SPC8	17	Objective 5	Amend first bullet point of objective 5 to read: <ul style="list-style-type: none"> enabling the delivery of new homes needed to respond to expected demographic and social changes and <u>as far as possible</u> to support the labour supply to meet our economic development objectives ensure that the development of new homes is aligned with the provision of <u>all</u> the necessary infrastructure 	RC1	Change arising from the Hearings and for clarification.
SPC9	17	Objective 6	Promoting and delivering <u>local employment, training and regeneration opportunities</u> that can contribute to a reduction in the health and social inequalities across the District.	-	Clarify 'regeneration' in response to the Public Services (Social Value) Act 2012
SPC10	18	Para 1.18	Proposals to abolish the Regional Spatial Strategy (RSS) <u>has necessitated a</u> have provided B&NES with the opportunity to move away from regionally imposed growth targets and the establishment of its own growth requirements in accordance with the NPPF and in response to local circumstances . Formulation of this <u>the</u> overarching policy framework for the District has entailed analysis of new , up-to-date evidence, formulation of options to meet the objectives, engaging with local communities, testing these through the sustainability appraisal and assessing deliverability. Account has been taken of the District's functional relationship with neighbouring authorities. The process of developing a spatial strategy for B&NES has entailed the assessments set out below. Please note the evidence base supporting	-	Text updated to align with the NPPF.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			the Core Strategy is listed and is available on the Council's website at www.bathnes.gov.uk/corestrategy or on request.		
SPC11	18	Para 1.19	Development land supply: A detailed, 'bottom up' assessment has been undertaken of the capacity of the District's settlements for delivery of new housing, jobs and community facilities. This has included identifying suitable and deliverable development sites, understanding the environmental constraints including potential flood risk, assessing the appropriate mix of uses and densities and ensuring the necessary infrastructure is in place or can be secured to deliver mixed and balanced communities. It also looked at the opportunities to re-use empty homes and under-used properties. Part of this analysis is set out in the Strategic Housing Land Availability Assessment (SHLAA)	-	Non-material textual change for purposes of clarity
SPC12	18	Para 1.21	Environmental capacity: The District is renowned for its outstanding environment. Bath is the only complete city in the UK which is inscribed as a World Heritage Site; the high quality of the landscape is recognised by the designation of two Areas of Outstanding Natural Beauty; there are over 50 Conservation Areas in the district and Bath has the highest concentration of Listed Buildings outside of Westminster. The District also enjoys a rich and diverse biodiversity resource, including many protected species and habitats and two <u>includes or is adjacent to a number of sites of European importance for bats and wetland birds. These European Sites are protected through the Habitat Regulations. In this context bats are a significant issue as the District supports important bat foraging areas, commuting routes and roots of importance to the integrity of up to 3 European Sites.</u> For clarity,	-	Change made for the purposes of accuracy and clarity.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<p><u>development likely to have a significant effect on a European site either alone or in combination with other plans or projects, and which cannot be adequately mitigated, would not be in accordance with the development plan.</u> The Council has assessed the impact of various policy proposals and alternative options on the Environment through the sustainability appraisal, the Habitats Regulation Assessment (HRA) and locational investigations.</p>		
SPC13	19	Para 1.23	<p>Development need: The Council has also undertaken assessments of development need within the district during the plan-period. This includes assessing the space needed for economic growth, housing, retail provision and social needs. This takes account of the Council's objective of promotion of a higher value economy rather than only volume growth. In terms of housing need, the Council has assessed the post recession likely need <u>requirement</u> for new housing, both market and affordable housing, over the plan period up to 2026 <u>2029</u> through the B&NES SHMA. <u>This is based on:</u></p> <ul style="list-style-type: none"> • Projected population change arising from births over deaths and increasing life expectancy • The likely housing requirement this entails, including rapid decline in household size and increased separation rates • The need for housing generated by economic growth (net migration), taking into account likely future growth rate, productivity changes and sectoral changes, • Provision for non-economically active migrants • <u>Under provision in previous years</u> 	-	To reflect the updated SHMA and to respond to the Inspector's concerns in ID/28.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<ul style="list-style-type: none"> <u>Affordable housing need</u> 		
SPC14	19	Para 1.26	<p>The Core Strategy makes provision for around 11,000 <u>12,700</u> new homes and around 8,700 <u>10,170</u> new jobs. This level of growth excludes "windfall" housing developments. Infrastructure deficiencies, environmental constraints and the results of community engagement together affect the level of growth. The strategy is to locate new development in the most sustainable locations and therefore the priority is to steer growth to brownfield land in urban areas of Bath, Keynsham and the larger settlements in the Somer Valley. <u>However, in order to make provision for housing and employment needs and to fulfil the objectives of the Core Strategy, some greenfield land is also required. In some instances this entails the release of land from the Green Belt because these are the most sustainable locations. The identification of land for development has sought to minimise the impact on the environment and the Green Belt and take account of infrastructure requirements. The Council has therefore sought to make provision for level of development likely to be needed delivered through this approach equates with the future likely need for development</u> but it is acknowledged that the district's environmental quality provides a challenge for accommodating new development circumstances constrain the space available. However the Council's policy of 'smart growth' provides scope for pursuing high levels of economic growth without departing from the locational strategy. The broad spatial principles are summarised below and elaborated in the place-based chapters 2-5.</p>	Amends RC2	To reflect the amended housing and jobs figures agreed by Council on 4 th March 2013.
SPC15	19	Para 1.27	<p>Bath, as the economic driver in the district is the primary focus for new development. <u>It is also an important sub-</u></p>	-	To reflect the amended housing and jobs figures agreed by Council on 4 th

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<p>regional economic centre. The spatial strategy begins to address the existing commuting imbalance (not in-commuting) by directing more homes than jobs to the city. However Significant provision is made within Bath for economic growth, particularly modern employment space to meet the changing needs of the economy and take advantage of Bath's competitive position. The Council's policy of 'smart' growth promotes higher value sectors rather than only volume growth. Key areas of change within the city are along the riverside, especially in the western corridor. <u>In order to meet development needs, land also needs to be released from the Green Belt. The Council has undertaken a careful assessment of the options and has identified locations which cause the least harm to the City's highly sensitive environment and has sought to minimise scale of the impact. Land will therefore be released from the Green Belt at Weston and Odd Down and identified for development.</u></p>		March 2013.
SPC16	19	Para 1.28	<p>Keynsham currently has a balance between numbers of resident workers and jobs but experiences significant in and out-commuting in light of the mismatch of resident workforce and available jobs. Although the <u>additional</u> homes/jobs provision for Keynsham is roughly equal the focus will be to generate a range of jobs more suitable to the resident workforce. The key areas of change in Keynsham will be in the town centre and at Somerdale which has significant implications for the future of the town. <u>In addition changes to the Green Belt are proposed to the south west and east of the town in order to provide additional employment floor space and housing. These changes do not undermine</u> No changes are proposed to the Green Belt boundary around Keynsham and the Core Strategy objective seeks to maintain the town's separate</p>	-	Change reflect the increase in housing numbers and job figures (see ID/28)

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			identity.		
SPC17	18	Para 1.29	In the <i>Somer Valley</i> there is significant net out-commuting due to lack of available jobs but there are also significant residential commitments. The area does not have an operating rail link, there are no direct links to the motorways and there is limited scope to change this <u>provide substantial infrastructure improvements in the Plan period</u> . The strategy therefore recognises this position, and seeks to ensure <u>facilitate economic-led regeneration enabling job growth in the area</u> . further residential development is only allowed where it brings employment or other community benefit. The focus for change will be in the town centres and on vacant and under-used sites but some development on new green field locations will be required to meet housing needs. <u>The Housing Development Boundary will therefore be reviewed in the Placemaking Plan.</u>	-	Change reflect the increase in housing numbers and job figures (see ID/28)
SPC18	-	Add new Para 1.30A	<u>However in order to meet development needs during the Plan period, land will be released from the Green Belt for development in the Whitchurch area. Whilst not well placed for Bath, the sustainability appraisal identifies land on the edge of Bristol as being a relatively sustainable location. The scope for development is limited in light of the environmental assets in the area and the infrastructure constraints. The Council will need to work closely with Bristol to ensure the development relates well to Bristol and does not prejudice regeneration proposals for south Bristol.</u>	-	Change reflect the increase in housing numbers and job figures (see ID/28)
SPC19	19	Para 1.31	The Green Belt is shown on the Key Diagram. No changes are proposed to the general extent of the Green Belt, in the form of either extensions or deletions. The	Amends RC3	Change arising from Hearings and representations

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<u>development of the spatial strategy has sought to minimise the impact on the Green Belt as far as possible. However, as described above, five strategic changes are required to the inner Green Belt boundary to release land to meet the need for new development. The new detailed boundary will be established through the Placemaking Plan The detailed inner and outer boundaries of the Green Belt will also be reviewed in the Placemaking Plan in order to address minor anomalies or other necessary minor adjustments. Exceptional circumstances will need to be demonstrated through this review process in order for the detailed boundary to be changed.</u>		
SPC20	19	Para 1.33	Delivery: The scale of new homes entails a significant uplift in past rates of delivery from around 380 to around 550 <u>700</u> per annum although as set out in the SHLAA, the overall trajectory of provision is determined by the performance of individual locations. The provision of new jobs is dependent on <u>national economic performance and objectives in the Council's Economic Strategy</u> being realised through the interventions outlined in the Council's Regeneration Delivery Plans, in particular the objective for economic growth of 8,700-10,170 jobs. There is scope with the spatial strategy to deliver an even greater number of jobs in line with the Economic Strategy through....	Amends RC4	Change arising from BNES/26 and to reflect revised housing requirement/delivery rate.
SPC21	19	Para 1.34	The need for affordable housing in the district is high and the Core Strategy seeks to maximise the provision within the context of the spatial strategy and deliverability. <u>The overall housing figure has therefore been boosted in order to increase provision of affordable housing.</u> This would provide around 3,000 <u>3,110</u> affordable homes during the plan period.	-	Change to affordable housing provision to reflect new housing requirement.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
SPC22	19	Para 1.36	<u>Contingency Flexibility:</u> The Core strategy recognises the need to be responsive in light of future uncertainty and unforeseen circumstances. There is the scope for flexibility in the mix of uses and density of some of the large redevelopment sites such as at Somerdale in Keynsham and the MoD sites in Bath. In addition, there is scope in Bath's western corridor to vary the mix of uses to respond to needs for development. This flexibility maintains the overall strategy of a priority on urban focussed brownfield opportunities. The spatial strategy therefore enables the identification of a 5 year land supply with a 20% buffer to reflect previous under delivery. The level of housing being planned for also provides significant flexibility and choice of sites in the event that some sites are delayed in coming forward or growth is greater than anticipated. The Council will monitor delivery rates in the plan period which will shape the early review of the Core Strategy programmed for around 2016 <u>to co-ordinate with the other West of England districts.</u>	-	Change arising from issues raised in ID/28, para 3.32.
SPC23	20	Policy DW1, clause 2:	2: Making provision for a net increase of 8,700 <u>10,170</u> jobs and 11,000 <u>12,700</u> homes between 2006 <u>2011</u> and 2026 <u>2029</u> , of which around 3,400 <u>3,110</u> affordable homes will be delivered through the planning system.	Amends RC6	Changes arising from BNES/26 and BNES/2 and to amend Plan period dates and to respond to ID/28 in the context of the shift in Plan period
SPC24	20	Policy DW1, clause 4	4: retaining the general extent of Bristol - Bath Green Belt within B&NES, with no strategic change to the boundaries <u>other than removing land to meet the District's development needs at the following locations identified on the Key Diagram:</u> <ul style="list-style-type: none"> • <u>Land adjoining Odd Down</u> • <u>Land adjoining Weston</u> • <u>Extension to MoD, Ensligh</u> 	Amends RC7	Change arising from Hearings and representations and to respond to ID/28

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<ul style="list-style-type: none"> • <u>Land adjoining East Keynsham</u> • <u>Land adjoining South West Keynsham</u> • <u>Land at Whitchurch</u> 		
SPC25	20	Policy DW1	<p>Amend Policy DW1 by inserting the following clause between existing clauses 5 and 6 (to be renumbered in the final version of the Core Strategy):</p> <p><u>'Protecting, conserving and enhancing the district's nationally and locally important cultural and historic assets'</u></p>	RC5	Change arising from English Heritage's representations (see BNES/18)
SPC26	20	Policy DW1	<p>In order to respond to changing circumstances, flexibility in the nature, density and mix of uses in the Western Corridor of Bath and on MoD sites will provide contingency in line with the principles of the overall strategy.</p>	Amends RC8	Text deleted from Policy DW1 as reference to flexibility in the strategy will be made in the text (para 1.36). Change made in respond to issues raised in ID/28, para 3.32.
SPC27	20	Policy DW1 (Last para only)	<p>Add to Policy DW1:</p> <p><u>The Core Strategy will be reviewed around every five years and changes made to ensure that both:</u></p> <p>a. <u>the objectives are being achieved, particularly the delivery of the housing and work space targets set out in Table 9; and</u></p> <p>b. <u>the Core Strategy is planning for the most appropriate growth targets, particularly housing and employment space/jobs.</u></p>	RC9	Changes arising from the discussions at the Hearings as explained in BNES/24
SPC28	21	Diagram 4	<p>Remove notation for all Policy RA1 villages</p> <p><i>[see page (i) for proposed changes to Diagram 4 appended to this schedule]</i></p>	RC10	Response to Inspector's questions 8.2 and 8.3 in ID/7 to clarify policy RA1 (see BNES/9)

			numbers of visitors.		
SPC36	28	Para 2.02	For the next 150 years, the <u>The Victorian city struggled to cope with its Georgian legacy. At the beginning of Victoria's reign Bath was the 9th largest town in England with a population of nearly 50,000</u> The city experienced continued growth but relative decline, refining <u>Thereafter Bath lagged behind the national level of industrial urban expansion and instead Bath refined its image as a place of genteel residence and retirement. Many pinned their hopes of a social revival on the coming of Brunel's Great Western Railway in 1841. However, but this did little to reignite the popularity of the city. though, together with the Midland Railway did</u> <u>Instead the railways served to crystallize an industrial zone strip of mills and foundries along the River Avon toward towards as far as Twerton. Bath remained one the great cities of England until 1851, with a population of over 50,000. Thereafter its rate of growth lagged behind the national level of urban expansion. A big effort was made</u> † <u>Towards the end of the Victorian period the Corporation sought to revive the city as a spa upon the rediscovery of its Roman origins. However, little came of efforts to revive</u> establish <u>Bath as a leading therapeutic centre.</u>	-	Change made for the purposes of accuracy and clarity.
SPC37	28	Para 2.03	<u>The pace of growth in Bath was slow during the early part of the 20th Century , a reflection of the depressed state of the national economy, but the aftermath of WWI resulted in a can be characterized by economic depression alongside a great deal of inter war house building and a surge in the land coverage of the city. In the inter war period on the southern slopes part of the landscape bowl in which the city sits at Southdown and the Odd Down Plateau were colonised. Elsewhere, suburban development took place</u>	-	Change made for the purposes of accuracy and clarity.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<p><u>at Weston and Larkhall and such neighbourhoods were connected to the centre by the Bath Electric Tramway.</u> After the Second World War Bath was caught up in the process of rapid socio-economic change that was at work in the country as a whole. Change <u>within the city</u> reflected many national trends, including the growth of private motoring, modernist reconstruction and the subsequent and popular rise of the conservation movement. In 1987, in recognition of its unique cultural value the city was inscribed as a World Heritage Site. This raised its international profile as a tourist destination and has sharpened debate about how Bath should change and develop <u>change and development should be managed</u> and what 'sustainability' means for the city and its future.</p>		
SPC38	29	Bath Strategic Issues 2	<p>2. The conservation and enhancement of the World Heritage Site (WHS) and its setting <u>and of the Conservation Area</u> must be reconciled with contemporary socio-economic and environmental challenges, including climate change. Bath's WHS status and environmental quality is not an obstacle to economic growth - it is part of a strong 'brand', an incentive to and enabler of growth <u>prosperity</u>. – however, it does require that contemporary change is managed sensitively and that high quality design is achieved.</p>	-	Change made for the purposes of accuracy and clarity.
SPC39	29	Bath Strategic Issues 7	<p>7. There is a significant imbalance between the resident workforce and jobs <u>in the city</u>. The main place of employment for about 30% of the resident workforce is outside Bath and the city imports many workers from beyond its boundaries, <u>particularly from the market towns of West Wiltshire</u>.</p>	-	Change made for the purposes of accuracy and clarity.
SPC40	29	Bath	<p>12. <u>13.</u> The development of the University of Bath and</p>	FM4	Change made for the purposes of accuracy and clarity.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
		Strategic Issue 12 (now 13)	Bath Spa University requires strategic policy direction in order to secure the future of each institution, and to ensure <u>ensure</u> that the student population does not continue to drive the student lettings market to the detriment of the normal private housing stock and existing communities.		
SPC41	29	Bath Strategic Issue 13 (now 14)	13. <u>14.</u> The Bath/Bradford-on-Avon Special Area of Conservation (SAC) is designated because of the presence of bats and their foraging areas. Bats are protected under European and UK legislation and care must be taken to ensure that the impact of change and development on bats is taken into account <u>avoid impacts to the integrity of the SAC.</u>	-	Change made for the purposes of accuracy and clarity.
SPC42	30	Para 2.05	World Heritage, Regeneration, <u>Enterprise</u> and 'Place' In addition to enabling the delivery of the Sustainable Community Strategy, the Bath spatial strategy seeks to contribute to the actions proposed in the City of Bath World Heritage Site Management Plan (November 2010) that seek to protect the outstanding universal values <u>value</u> (OUVs) (OUV) of the site and its setting. The significance of the WHS is set out in the Statement of Outstanding Universal Value and can be summarised as <u>derives from the city's Hot Springs, its Roman Archaeology; the Hot Springs; Georgian town planning; Georgian architecture; the green setting of the City in a hollow in the hills within a landscape bowl; and Georgian architecture reflecting 18th century social ambitions</u> . The Cotswolds AONB Management Plan is also important in this regard as Bath's townscape and landscape combine to form a total <u>special composition of form and place</u> <u>town and country.</u>	Amends FM5	Change made for the purposes of accuracy and clarity.
SPC43	30	Para 2.06	In 2006 the Council published 'The Future for Bath' which in which it sought to <u>defines</u> the essence of the city - its	-	Change made for the purposes of

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			DNA. It articulates a suite of regenerative		accuracy and clarity.
SPC44	30	Para 2.07	The Bath spatial strategy has been prepared with <u>against</u> the background of this regeneration agenda in mind so that it contributes to the realisation of a distinctive and authentic development programme for the city. As an international cultural asset, well considered and high quality growth is a key principle guiding the overall level, type and design of new development. The strategy prioritises the creation of enduring developments, places and neighbourhoods over 'planning by numbers' in order to deliver relatively short term targets. It seeks to shape development that will be appreciated and used well into the future and <u>to</u> deflect ill-conceived proposals that might be rejected within a generation.	-	Change made for the purposes of accuracy and clarity.
SPC45	31	Para 2.08	The Public Realm and Movement <u>Strategy</u> for the city centre has already Strategy responded to this agenda in order to shape investment in the city centre. It sets out a programme to reanimate the city centre by:	-	Change made for the purposes of accuracy and clarity.
SPC46	32	Vision for Bath	<p>The Vision <i>What the spatial strategy is seeking to achieve,</i></p> <p>Bath's natural, historic and cultural assets, which combine to create a unique sense of place of international significance, will be secured and enhanced to maintain the city's key competitive advantage and unique selling point as a high quality environment in which to reside, to live, locate and <u>to live,</u> locate and grow a business, visit and invest.</p> <p>The scope to further improve Bath's environmental quality will form the foundation of efforts to boost the city's profile as a more competitive and low carbon economic centre.</p>	-	Change made for the purposes of accuracy and clarity.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<p>The realisation of a range of development opportunities within the Central Area and Western Corridor Enterprise Area <u>Enterprise Area</u> will greatly improve the city aesthetically and also enable Bath to position itself as a more entrepreneurial, innovative, creative and business friendly place. Economic development and productivity will therefore be stimulated and facilitated, whilst simultaneously upgrading inherited townscape.</p> <p><u>Where possible the built environment will evolve in a more energy and resource efficient manner and renewable and sustainable energy, appropriate to the Bath context will be introduced.</u> Alongside measures to mitigate and adapt to climate change <u>and to pursue a reduced carbon economy, the diversification and growth of a low carbon economy</u> are the key changes that are sought for Bath. <u>The delivery of new housing on brownfield sites is a vital component of the vision and will help to create a more sustainable relationship between the city's labour and job markets and support Bath's economic potential.</u> whilst retaining the integrity of its landscape.</p> <p><u>The need for more housing will enable the regeneration of many areas within the city. Where development is needed on the edge of Bath it will be positioned, master planned and designed to sustain the 'significance' of Baths heritage assets and the integrity of its landscape setting.</u> Parallel investment in public transport infrastructure and walking and cycling <u>routes</u> will keep the city moving and enable more sustainable travel choices to be made.</p> <p>Bath's already strong identity as a therapeutic place will be enhanced by boosting its performance as an enjoyable city for leisure, recreation and shopping with a vivacious</p>

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<p>Hilton Hotel, and The Podium) b: Manvers Street Car Park, Avon & Somerset Police Station and Royal Mail Depot area c: Green Park Road (Green Park House) d: Bath Quays North (Avon Street Car and Coach Park and City College) e: Kingsmead (Kingsmead House, Telephone Exchange, Plymouth House and land in the vicinity of Kingsmead Square)</p> <p><i>Neighbouring the City Centre</i> f: The Recreation Ground and Leisure Centre g: Bath Quays South (Stothert and Pitt to Travis Perkins) h: The Green Park Station area i: The Homebase area including the Pinesway industrial estate and gyratory.</p>		
SPC68	40	Policy B2 (4)(b)	b: 75,000-100,000 <u>A net increase of about 40,000</u> sq.m of modern office floorspace and creative workspace, to enable the growth of sectors targeted in the Economic Strategy	-	LEP Growth Aspiration, Oxford Economics Projections and BANES floorspace calculations. Also revised HCA employment density guidance.
SPC69	40	Policy B2 (4)(h)	(h) a new sports stadium with associated uses including conferencing and banqueting facilities and active riverside frontage	RC20 (amends PC28)	Central Area boundary no longer covers The Rec. Separate reference to the Rec made in Policy B1.
SPC69A	40	Policy B2 (4)(h)	(h) <u>Existing uses within the Central Area that remain compatible with its future role and the scope and scale of change envisaged for it, should, where appropriate, be reincorporated as part of redevelopment proposals, unless this is not viable or would significantly reduce the capacity of the Central Area to accommodate jobs or</u>	RC20 (amends PC28)	At the hearings concern was expressed that the second part of Policy GDS.1/B1 no longer applied to the Central Area and BWR East and only to the Western Riverside Zone. This is not the case as

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<u>housing development. In such circumstances reasonable efforts should be made to ensure such uses are relocated elsewhere.</u>		(despite the name changes to various land parcels in this area) GDS.1/B1 still overlays BWR East as part of the Central Area. However, for clarity a change is proposed which extends the principle in the second part of GDS.1/B1 to the entire Central Area. The emphasis here is on land uses and mixed used development rather than specific businesses and the approach does not favour leaseholders over landowners. The ending of a lease for a specific business is commercial reality, whereas the desirability of creating appropriate mixed use environments is a key planning matter. See also changes RC16, RC17 and RC20 above.
SPC70	42	Para 2.17	The Central Area in 2026 2029 The implementation and delivery of this strategic policy over the lifetime of the Core Strategy will mean that the Central Area will have changed by 2026 2029 as set out in Diagram 8. <u>It is anticipated that the extent of the city centre boundary will expand westwards as key development sites within the existing city centre and edge of centre areas are redeveloped to fully optimise their locations and generate more intensive activity.</u>	-	Clear expression of intent
SPC71	42	Diagram 8	Amend heading for Diagram 8 as follows: The Central Area in 2026-2029	-	Change to reflect shift in plan period.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<i>[see page (v) for proposed changes to Diagram 8 appended to this schedule]</i>		
SPC72	42	Diagram 8(i)	Amend Central Area boundary so that it follows the riverside walk along the eastern riverside walk (outer bend) of the River Avon (between North Parade and Pulteney Bridge, rather than encompassing the Recreation Ground/North Parade Road. <i>[see page(v) for proposed changes to Diagram 8(i) appended to this schedule]</i>	RC17	Response to ID/24 Following the outer bend follows the existing approach for the Central Area as one that seeks to embrace the riverside and the interaction of people and development with it.
SPC73	44	Western Riverside	<i>Amend final sentence as follows:</i> In order to wholly <u>fully</u> deliver Bath Western Riverside, land remediation works to decommission and remove the Windsor Gas Holder Station will be needed.	Amends PC29	Change to improve accuracy and clarity.
SPC74	47	Policy B3 (1) - (2)	Strategic Policy for Twerton and Newbridge Riversides <u>1. Role of Newbridge and Twerton Riversides (including the Bath Press)</u> This part of the Western Corridor will function predominantly as an economic development area to support the overall employment structure the city. It will complement but not compete with the Central Area as the City's focus for business and enterprise. Specifically this will mean that: a There is a presumption in favour of Newbridge Riverside retaining its function as a place for industrial activity. b Twerton Riverside will function primarily as a multi-use economic development area. Its already reduced role as a place for industrial activity will be allowed to contract	-	Changes to make the policy more effective in response to advice in ID/28

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<p>further subject to the criterion at Part 4 (a)iii) of this policy. Proposals for development at either location will be subject to the considerations set out in parts 2-4 of Policy B3.</p> <p><u>These locations form the western extent of the City of Ideas Enterprise Area</u></p> <ul style="list-style-type: none"> • <u>Newbridge Riverside will function as Bath's primary location for industrial enterprise, providing about 12 ha of land at Locksbrook Road, Brassmill Lane and the Maltings for a range of activities including advanced manufacturing. There is therefore a presumption in favour of retaining land and premises in the B1 use class where this remains a viable use of land and is supported by market signals that there is demand for continued occupation that cannot reasonably be accommodated elsewhere.</u> • <u>Twerton Riverside has contracted as an industrial location in recent decades. This area is suitable for a broader range of uses and there is scope to redevelop the area to provide new business (B1a-c) premises and housing. The area presents an opportunity to host business that is displaced as a consequence of the residential led development of Western Riverside and the growth of the intensification of the Central Area into BWR East. Whilst Newbridge Riverside will remain the core industrial location, Twerton Riverside can provide additional flexibility. It will therefore necessary to maintain an appropriate level of land in this area for B1c uses alongside office uses and housing.</u> <p>2. Placemaking Principles</p>		

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<p>Assets of Newbridge and Twerton Riverside Development proposals must be informed and shaped by the following characteristics</p> <p>a. Newbridge Riverside functions as Bath's primary location for industrial enterprise, providing about 12 hectares of land at Locksbrook Road, Brassmill Lane and the Maltings for a range of activities including advanced manufacturing.</p> <p>b. There is a strong relationship between the industries and occupations at Newbridge Riverside and the skills and labour prevalent in surrounding neighbourhoods.</p> <p>c. a. The eastern part of Twerton Riverside in close proximity lies in close proximity to the Western Riverside Policy Area which will experience a significant uplift in its environmental quality and will act as a catalyst for investment in the wider area. Western Riverside will experience a significant uplift in its environmental quality during the lifetime of the Core Strategy</p> <p>b. There are a number of heritage and non-designated heritage assets in the area pertaining to its industrial past, including Brunel's Great Western Railway and the façade of the Bath Press.</p> <p>c. Views in and out of the area e.g. to Newbridge Hill and Bath City Farm are important.</p> <p>d. The river including its banks and open land at the western section of the area are an important wildlife resource.</p> <p>e. There is good, yet not fully realised connectivity with the city centre via the shared riverside walking and cycling route, which is narrow in places.</p> <p>f. SPC76	48	Para 2.19	While the Central Area and Western Corridor <u>Enterprise Area</u> is the headline delivery location for Bath, it is the outer neighbourhoods that make up the majority of the physical extent of the city and where the most people live.	-	Text amended to improve clarity.
SPC77	48	Para 2.20	The normal-suburban workings of the city are important to the spatial strategy. During the 30 years before the First World War, Bath suburbs expanded.....	-	Text amended to improve clarity.
SPC78	48	Para 2.21	It is beyond the remit <u>scope</u> of this chapter of the Core Strategy to consider local aspects of change within outer Bath and to present a bespoke neighbourhood plan for each area. <u>This can be achieved through Neighbourhood Planning and by the Placemaking Plan.</u> Core Strategy Policy in relation to a number of generic matters /topics is covered in the Core Policies section. The spatial strategy focuses on key areas or issues requiring strategic guidance. Crucially, suburban Bath is expected to yield about 2800 new homes <u>on large sites and will account for the majority of the 1,000 units forecast to come forward on small sites throughout the city,</u> Outer Bath will therefore making <u>make</u> a significant contribution to the overall target of 6,000 <u>7,000</u> new homes for the city and contains a	Updates PC34 as amended	Change made to clarify text in the draft Core Strategy. Subsequent change made in response to the Inspector's queries.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			district centre and local centres that need to be identified as part of the retail hierarchy.		
SPC79	48	Para 2.22	<p>Ministry of Defence of Land</p> <p>Within Bath's outer neighbourhoods the Ministry of Defence occupy three sites have sold and are in the process of vacating, Foxhill (Odd Down), Ensleigh (Lansdown), and Warminster Road (Bathwick). Together the sites amount to some 36ha in area. In July 2011 it was confirmed that all MoD personnel would be relocated (mostly to Abbeywood, Bristol) by March 2013 and that the sites would then be disposed of. These have been purchased by housing providers and private developers. In advance of the sale of the sites the Council prepared concept statements setting out its aspirations in respect of what it expected each area to deliver. It is anticipated that Warminster Road and Foxhill will become surplus to requirements within the next few five years as the MoD consolidates its operations at Ensleigh Abbey Wood, Bristol. It is also likely that the majority, if not all, of Ensleigh will be vacated. Drawing on the The Strategic Housing Land Availability Assessment identifies that these sites can deliver well in excess of 1,000 new homes. Drawing on this strategic assessment the Placemaking Plan and/or Development Management process will refine the optimum housing capacity of these sites and consider their overall prospects for these sites in more detail, including the scope for business space and measures to enable sustainable travel to the city centre and local centres. For the purposes of the Core Strategy it is sufficient to highlight confirm their suitability and availability of the MoD sites for redevelopment and to observe that delivery by 2026 within the plan period is an achievable</p>	Updates RC22 (amends PC35)	Update to supporting text to reflect MoD/ Defence Estates Statement on Issue 2 re certainty about Ensleigh, confirmation of timetable for disposal and position on capacity.

SPC91	52	Para 2.31	<p>2e The World Heritage Site and its Setting</p> <p>The World Heritage Site status of the city is a key material consideration when making planning decisions. As a designated heritage asset of the highest significance there is a strong presumption in favour of the conservation of the Outstanding Universal Value of the World Heritage Site. The significance of the WHS is set out in the Statement of Outstanding Universal Value (OUV) (2010) and <u>is summarized in paragraph 2.05</u> can as be summarised; Roman Archaeology; the Hot Springs; Georgian town planning; Georgian architecture; the green setting of the</p>	-	Text amended to improve clarity.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			City in a hollow in the hills; and Georgian architecture reflecting 18th century social ambitions. The World Heritage Site Management Plan (2011-16) sets out the objectives and actions needed for the successful conservation and management of the Site. The Local Development Framework Plan has a key role in the implementation of the Management Plan.		
SPC92	52	Para 2.32	The setting of the WHS World Heritage Site, beyond its designated boundary, is important as inappropriate development here can could impact upon the Outstanding Universal Value of the site. The setting is the surroundings in which the World Heritage Site is experienced. It includes a range of elements such as views and historical, landscape and cultural relationships and has no fixed defined boundary. In relation to the protection of the setting, the World Heritage Site Setting Study SPD provides the information needed to assess whether a proposed development falls within the setting, and whether it will have a harmful impact and to what extent. The Study is being taken forward as a Supplementary Planning Document. A formal buffer zone is not considered to be appropriate, as the assessment framework within the Setting Study presents a 'smarter' tool, offering the same degree of protection. The Green Belt, which closely surrounds the city, also plays an important role in protecting the setting of the WHS (see its purposes which are summarised in table 8). The general extent of the Green Belt is retained by the Core Strategy and its openness is protected from inappropriate development. The setting of the WHS World Heritage Site, beyond its designated boundary, is important as inappropriate development here can could impact upon the Outstanding Universal Value of the site. The setting is the surroundings in which the World Heritage Site is experienced. It includes a range of elements such as views and historical, landscape and cultural relationships and has no fixed defined boundary. In relation to the protection of the setting, the World Heritage Site Setting Study SPD provides the information needed to assess whether a proposed development falls within the setting, and whether it will have a harmful impact and to what extent. The Study is being taken forward as a Supplementary Planning Document. A formal buffer zone is not considered to be appropriate, as the assessment framework within the Setting Study presents a 'smarter' tool, offering the same degree of protection. The Green Belt, which closely surrounds the city, also plays an important role in protecting the setting of the WHS (see its purposes which are summarised in table 8). Updates RC23 (amends PC41)	Change arising from Hearings and representations and further changes for purposes of clarity.
SPC93	53	Policy B4	The World Heritage Site and its setting There is a strong presumption against development that	Amends PC42	Text amended to improve clarity.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			would result in harm to the Outstanding Universal Value of the World Heritage Site, including its authenticity or integrity. <u>This presumption applies equally to development within or to the setting of the World Heritage Site.</u> Where development has a demonstrable public benefit, including mitigating and adapting to climate change, this benefit will be weighed against any <u>the level of</u> harm to the Outstanding Universal Value of the World Heritage Site.		
SPC94	53	Paras 2.34 - 2.35	<p>To contribute to this process, a Building Heights Strategy for the area of Bath covered by the World Heritage Site designation has been prepared. The strategy provides area-based guidance on the appropriate height of new development to ensure the protection of the Outstanding Universal Values <u>Value (OUV)</u> (OUV) of the Site.</p> <p>The overall purpose of the strategy is to provide a framework within which decisions can be made about the appropriate height of new buildings in Bath. It will be used <u>to inform the Placemaking Plan and will act</u> as a development management tool in the consideration of planning applications. The Strategy has been compiled in such a way that it can be used as the basis for a Supplementary Planning Document.</p>	PC45	Non-material textual changes for purposes of clarity
SPC95	54	Para 2.38	The Council also understands that each institution needs to invest in its academic estate in order to continue to provide high standards. The approach of the ore Strategy is to enable the realisation of a better balance between the aspirations of each university, the concerns of communities and the overall functioning, performance and environmental quality of the city and its setting. The University of Bath's and Bath Spa University's work in preparing and consulting on estate and campus masterplans demonstrates the value of proceeding on a	PC46	Non-material textual change for purposes of clarity

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			strategic basis and provides a framework for future development. <u>The Information Paper 3 on student numbers and accommodation</u> considers the issues in more detail, provides a full assessment of the evidence that has led to the following policy approach and its likely impact.		
SPC96	54	Policy B5	<p>Bath Spa University – Newton Park Campus</p> <p>Within the context of a strategic framework for all twelve sites that the University occupies <u>the University's entire estate</u> the strategy seeks the redevelopment and intensification of the Newton Park campus to provide additional study bedrooms and academic space. Proposals should <u>accord with the NPPF, paragraph 89 and seek to optimise opportunities for educational use and student accommodation within the current boundary of the campus</u> Major Existing Developed Sites in The Green Belt in accordance with Policy GB.3 of the BANES Local Plan before seeking to justify very special circumstances for development beyond # them or a change to the MEDS development boundaryies, having <u>In all circumstances regard should be had to the sites environmental capacity, the significance of heritage assets and the optimum development of the campus in this regard.</u></p>	Updates RC24 (amends PC47)	<p>Change relating to environmental capacity and significance of heritage assets arising from English Heritage's representations (see BNES/18). Wording in BNES/18 slightly amended following response to issues raised in other representations.</p> <p>changes regarding review of MEDS boundary derive from NPPF</p>
SPC97	54	Policy B5	<p>Off-Campus Student Accommodation</p> <p>Proposals for off-campus student accommodation will be refused within the Central Area, Western Corridor <u>the Enterprise Area</u> and on MoD land where this would adversely affect the realisation of other aspects of the vision and spatial strategy for the city in relation to housing and economic development.</p>	Amends PC47	Text amended to improve clarity.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
SPC98	55	Para 2.39	It is anticipated that this policy will enable the delivery of new on-campus study bedrooms to 2020/21 at a rate which exceeds <u>broadly matches</u> the growth of the student population...		Text amended for factual reasons and for the purposes of clarity.
SPC99	55	Para 2.40	It is envisaged that this approach will could mean that 2010 <u>2012/13</u> levels of HMOs will represent the high watermark within the city. The Council has at its disposal the option of declaring an Article 4 direction in relation to Houses in Multiple Occupation (HMO) to manage the student lettings market in the south west part of the city and elsewhere. The council cannot apply HMO powers retrospectively.		Text amended to ensure it is up to date.
SPC100	55	Para 2.41	Growth beyond 2020 will require additional on and off campus capacity to be identified. No alterations to the Green Belt boundary beyond that previously made in the Local Plan are envisaged during the Core Strategy period. <u>However, the nature of exceptional or very special circumstances is that they cannot be predicted and the Council will to consider such circumstances, on their merits, at the time they are presented.</u>		Text amended for factual reasons and for the purposes of clarity.
SPC101	56	Para 2.43	In order to successfully realise the development potential of the Central Area and Western Corridor <u>the Enterprise Area</u> , parallel enabling investment will be needed. Transportation and flooding and land remediation are three key areas requiring specific mention.	-	Text amended to improve clarity.
SPC102	56	Para 2.44	The Council's T transport S strategy for Bath is one of reducing the use of cars for travelling to and within the city, by progressing improvements to public transport and making walking or cycling within the city the preferred option for short trips. This will be achieved through a variety of measures including:	Amends RC25 (amended PC51)	Additional changes in response to objection from FoBRA. Change relating to specifying the measures being taken to reduce HGV through traffic responds to the fact that HGV's (including buses) is

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<ul style="list-style-type: none"> • Bath Transport Package – comprising a range of measures including three extended Park & Ride sites; upgrading nine bus routes to showcase standard including upgrades to bus stop infrastructure and variable message signs on key routes into the city displaying information about car parking availability • Improvements to the bus network through the Greater Bristol Bus Network major scheme including key routes from Bristol and Midsomer Norton, • Rail improvements, such as the electrification of Great Western Railway mainline by 2016; the new 15 year GWR franchise (including the Greater Bristol Metro Project); and increasing the capacity of local rail services travelling through Bath Spa rail station, improving ease of access to and attractiveness of rail travel to and from Bath • The West of England authorities (including B&NES) have been awarded Local Sustainable Transport Fund key component funding for a number of measures and also been invited by the Department for Transport to submit a major bid to the Local Sustainable Transport Fund for £25.5 million • Creating a more pedestrian and cyclist-friendly city centre through the introduction of access changes on a number of streets and expansion and enhancement of pedestrian areas. • Other improvements to walking and cycling infrastructure through the Councils Integrated Transport annual settlement and the implementation of 'Smarter Choices' for transport e.g. Proposed 		<p>responsible for 54.7% of nitrogen oxides on London Road.</p> <p>A disused rail line between Brassmill Lane and Windsor Bridge, Sustainable Transport route for walking cycling only reflect revised Bath Transport Package as BRT option not pursued</p>

SPC104	56	Title	Flood Risk Management for the Central Area and Western Corridor and <u>the Enterprise Area</u>	-	Change to update text.
SPC105	56	Para 2.48	<p>The strategy proposes the provision of on-site flood defences combined with upstream compensatory storage. New development must provide storage to offset the volume of water that would be displaced in a flood event by the defences on-site. In order to meet this requirement, a flood storage area of 345,000m³ is required as this is equivalent to the total combined volume of the footprint of the potential development sites. Provision of compensatory storage off-site is more cost-effective than providing it on-site and allows for greater flexibility in masterplanning, increasing the prospects of commercial investment in the city centre and the prospects of achieving responsive urban design solutions.</p> <p><u>Following the Flood Risk Management Strategy, the Hydraulic Modelling (Bath Flood Risk Management Project Feb 2013 by B&V) was prepared. It confirms that the impact of raising the key development sites in the Central Area and the Enterprise Area in Bath is a loss of conveyance, rather than a loss of flood storage. It recommends, where necessary, to raise all the development sites and the access/egress routes (or raise</u></p>	-	Change made in response to issues raised in ID/28

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<u>defence walls) and implement conveyance mitigation measures.</u>		
SPC106	57	Para 2.53	Delivery Contingency: Newbridge Twerton Riverside Although this area provides important land for light industrial uses, it is significantly under utilised in terms of the prevailing built form (single story buildings etc.) and that there is scope to intensify this area and to do so in a way that allows a better response to the riverside environment. The spatial strategy seeks to focus new 'town centre' employment <u>office</u> generating uses development within the Central Area. However, should it be demonstrable that supply is not keeping pace with demand the Newbridge Twerton Riverside area presents a deliverable out-of-centre alternative. Further, should housing development fall behind schedule <u>delivery require additional land</u> , this area provides presents an option close to Western Riverside.	Amends PC53	Paragraph deleted as no longer relevant
-	57	Table 5	IDP Ref Key Infrastructure Phasing Cost Funding and Delivery BI.1 Transport Proposals for Bath: <ul style="list-style-type: none"> • Rapid Transit Routes • New showcase bus corridors • New and eExtended park and ride sites • <u>Upgraded bus stop infrastructure on 9 service routes</u> 	PC54 as amended	<i>Included for information and not part of the current consultation.</i> Original change made to clarify text in the draft Core Strategy. 			<ul style="list-style-type: none"> <u>Improving the Park</u> 		
SPC109	61	Para 3.10	<p>The emerging Joint Waste Core Strategy seeks to deliver, by 2020, diversion from landfill of at least 85% of municipal and commercial & industrial wastes through recycling, composting and residual waste treatment. A minimum of 50% of this total recovery target is intended to be achieved through recycling and composting, leaving 35% to be delivered through residual treatment capacity. To ensure delivery of the Spatial Strategy, a number of strategic sites have been identified as appropriate for development for the management of residual waste. The land at Broadmead Lane in Keynsham is identified as one of these strategic residual waste facilities sites. (Details can be found at www.westofengland.org/waste-planning)</p>	-	Textual updates for accuracy.
SPC110	62	Vision	<p>The Vision <i>What the spatial strategy seeks to achieve.</i> Keynsham is a historic town that occupies a strategically important location between Bristol and Bath and is therefore well placed to improve and attract investment. It will continue to act as a market town and service centre for the surrounding area. In responding to the loss of a major employer, it will evolve as a more significant business location. Keynsham will <u>expand to accommodate a growing population, ensuring it retains</u> its independence and its separate identity within an attractive rural setting. It will become a more sustainable, desirable and well-connected place in which to live and work, with an enhanced town centre inspired by its heritage, cherished rivers, park and green spaces.</p>	-	Consequential change to the Vision to reflect the re-consideration of housing requirement and need for flexibility in strategy for Keynsham.
SPC111	63	Para 3.13	The spatial strategy set out in Policy KE1 seeks to deliver	-	Changes arising from re-

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			the vision for Keynsham and the strategic objectives for the District (set out in Chapter 1). The strategy <u>allows changes to be made to maintain</u> the Green Belt boundary surrounding Keynsham <u>to accommodate both employment floorspace and housing, but maintains the key Green Belt purposes of preventing the town from merging with Bristol and Saltford, and helping to preserve its individual character, identity and setting.</u> The Green Belt will continue to provide opportunities for residents of Keynsham to access outdoor sport, recreation and the open countryside. Access to the Green Belt will be enhanced with an improved green infrastructure network running through and surrounding the town, principally using the valleys of the Rivers Chew and Avon.		consideration of housing requirement and need for flexibility in strategy for Keynsham in context of ID/28 (paras 3.36 and 3.44).
SPC112	63	Para 3.14	1,500 <u>2,100</u> new homes will be built between 2006 <u>2011</u> and 2026 <u>2029</u> to support economic growth of the town and accommodate a growing population. Approximately 800 <u>700</u> homes are already accounted for, having either already been built since 2006 <u>2011</u> , have planning permission, or are allocated in the Local Plan. The Local Plan allocations include the 500+ dwelling development in South West Keynsham known as 'K2'. Development requirements are outlined in the Local Plan, including the need for satisfactory vehicular accesses. The remaining 700 dwellings are directed towards the town centre/Somerdale policy area (Policy KE2) which will serve as the focus of future development within Keynsham. <u>Green Belt releases will be made to the east of Keynsham to accommodate 250 dwellings and employment floorspace, and to the south west of Keynsham to accommodate 200 dwellings.</u>	-	Changes arising from re-consideration of housing requirement and need for flexibility in strategy for Keynsham in context of ID/28 (paras 3.36 and 3.44) and the shift in plan period.
SPC113	63	Para 3.15	1,500 <u>1,600</u> new jobs will be created between 2006 <u>2011</u>	-	Changes arising from re-

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<p>and 2026 <u>2029</u> primarily by increasing the stock of office floorspace in the town, <u>complemented by an extension to the Broadmead/Ashmead/Pixash Industrial Estate. The job growth figure of 1,600 and the related employment floorspace figures set out in Policy KE1 represent the minimum growth that it is considered will be delivered during the Plan period. However, the physical capacity for additional floorspace provided through the extension of the Broadmead/Ashmead/Pixash Industrial Estate is significantly greater (see Policy KE3). Provision for this employment floorspace is made in order to enable flexibility for economic development across the whole District. Therefore, there is uncertainty as to whether this will be delivered in its entirety during the Plan period. This</u></p> <p><u>The planned job growth and additional employment floorspace provision supports the vision in establishing Keynsham as a more significant business location and enabling the town to recover from recent job losses. Attracting more Higher Value Added jobs will help to reduce the current pattern of out-commuting by groups such as professional workers, managers, senior officials and administrative workers, allowing better opportunities to live and work in the town. This will help to counteract the closure of Somerdale. The role of the town centre and Somerdale as the main focus for business activity will be complemented by the Broadmead/Ashmead/Pixash Industrial Estate area.</u></p>		consideration of housing requirement and need for flexibility in strategy for Keynsham in context of ID/28 (paras 3.36 and 3.44)
SPC114	64	Policy KE1	<p>The Strategy for Keynsham is to:</p> <p>1. Natural and Built Environment</p> <p>a: <u>Maintain the Green Belt surrounding Keynsham, allowing releases of Green Belt land to the east and south west of Keynsham to accommodate employment and</u></p>	-	Changes arising from re-consideration of housing requirement and need for flexibility in strategy for Keynsham in context of ID/28 (paras 3.36 and 3.44)

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<p><u>housing growth.</u></p> <p>b: Make better use of the existing green and blue infrastructure (for example parks and rivers) running through and surrounding the town which will be enhanced, made more accessible and linked up.</p> <p>2. Housing</p> <p>a: Make provision for around 1,500 <u>2,100</u> new homes (net) between 2006 and 2026 <u>2011 and 2029</u>. This will include affordable housing, and an appropriate housing mix giving more choice of housing to meet the needs of the local community.</p> <p>b: Allow for residential development if it is within the housing development boundary defined on the proposals map or it forms an element of Policyies <u>KE2, KE3 and KE4</u></p> <p>3. Economic Development</p> <p>a: Plan for about 1,500 <u>1,600</u> net additional jobs between 2006 and 2026 <u>2011 and 2029</u></p> <p>b: Make provision for the changes in employment floorspace set out below:</p> <ul style="list-style-type: none"> • Office floorspace: from about 20<u>13,000</u>m² in 2006 <u>2011</u> to about 30,000<u>20,200</u>m² in 2026<u>2029</u> • Industrial/Warehouse floorspace: no net change by 2026 from level of <u>from</u> about 50,000 <u>52,000</u>m² in 2006 <u>2011</u> to 75,000 – 80,000 <u>60,300</u>m² in <u>2029</u> to <u>address future requirements arising in Keynsham and Bath</u> <p>c: Enable development which supports the town to continue to function as an independent market town. The scale and mix of development will increase self-containment and help develop the town as a more</p>		

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<p>significant business location.</p> <p>d: Retain <u>and extend</u> the Broadmead/Ashmead/Pixash Industrial Estate as an area for business activity (use classes B1, B2 and B8) complementing the role of the town centre and enable its intensification through higher density business development</p> <p>4. Shopping</p> <p>a: Provide larger retail units in the town centre to attract a more varied mix of retailers,</p> <p>b: Retain and encourage enhancement of Queen Road and Chandag Road as local centres to complement the town centre because they provide an important range of essential day-today goods and services for their local neighbourhoods.</p> <p>5. Transport, cycling and walking</p> <p>a: Provide for improvements to public transport and enhance connectivity between walking, cycling and public transport routes. (Transport infrastructure measures are set out in the 'Infrastructure and Delivery' section on page 72)</p> <p>b: Implement a reviewed Parking Strategy.</p> <p>6. Energy conservation and sustainable energy generation</p> <p>a: Enable renewable energy generation opportunities including a new district heating network within Keynsham, potentially anchored by the Centre/Town Hall redevelopment.</p>

			<i>appended to this schedule]</i>		
SPC136	96	Para 5.17	<p>A number of villages have been identified <u>There are a number of villages</u> where:</p> <ul style="list-style-type: none"> • access to facilities and public transport is best • there is capacity for development • there is community support for some small scale development <p>These villages are to be the focus for new small scale development under Policy RA1. Community support is demonstrated by the views of the Parish Council as the locally elected representative of those communities.</p>	RC30 (amends FPC3)	Response to Inspector's questions 8.2 and 8.3 in ID/7 to clarify policy RA1 (see BNES/9)
SPC137	96	Para 5.18	<p>The villages which currently meet these criteria set out in policy RA1 and that have some capacity for development are: Batheaston, Bishop Sutton, Farmborough, Temple Cloud, Timsbury and Whitchurch. These villages are shown on the diagram 18. This indicative list of villages may be subject to change over the lifetime of the Core Strategy. It will be formally reviewed as part of will be included in the review of the Core Strategy and consideration will be given to any demonstrated change of circumstances against the criteria in the interim. Local community support for the principle of development is demonstrated by the views of the Parish Council as the locally elected representative of those communities or through alternative mechanisms introduced in the Localism</p>	RC31 (amends FPC4)	Response to Inspector's questions 8.2 and 8.3 in ID/7 to clarify policy RA1 (see BNES/9)

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			Bill.		
SPC138	96	Para 5.19	The inclusion of Farmborough in this list is subject to provision of a sustainable transport link to local shopping facilities. Paulton and Peasedown St John are not identified in this list. This is <u>In accordance with the Spatial Strategy for the Somer Valley (Policy SV1) Paulton and Peasedown St John are not considered under the rural areas strategy but within the Somer Valley. A significant level of residential development is already committed at Paulton and Peasedown St John and the strategy does not make additional provision for housing.</u>	RC32	Response to Inspector's questions 8.2 and 8.3 in ID/7 to clarify policy RA1 (see BNES/9)
SPC139	96	Para 5.20	Policy RA1 should be considered alongside Core Policy CP8 Green Belt. Proposals for development that adjoin housing development boundaries in the Green Belt will therefore not be acceptable unless very special circumstances for development can be demonstrated.	Amends RC33	Response to Inspector's questions 8.2 and 8.3 in ID/7 to clarify policy RA1 (see BNES/9)
SPC140	96	Para 5.21	The 250 200 additional dwellings to be accommodated within the rural areas under the District-wide spatial strategy will be distributed as appropriate with small scale housing developments of up to and around 30 50 dwellings at each of the villages which meet the criteria referred to in Para 5.17 (see of Policy RA1). This will be considered in more detail through the Placemaking Plan in conjunction with Parish Councils as the locally elected representatives of their communities. The Housing Development Boundaries shown on the Proposals Map (saved from the existing Local Plan) will also be reviewed as part of the Placemaking Plan to incorporate the sites identified and /or enable new sites to come forward. Sites identified in adopted Neighbourhood Plans that adjoin the housing development boundary of villages meeting the	RC34 (amends FM9)	Response to Inspector's questions 8.2 and 8.3 in ID/7 to clarify policy RA1 (see BNES/9) and to reflect increase level of development.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<u>criteria of Policy RA1 will also be appropriate and these may come forward for inclusion as a part of the Placemaking Plan or subsequent to it.</u>		
SPC141	96	Para 5.22	To complement this approach, some limited residential development of <u>around 10 -15 dwellings</u> will be allowed in those villages not meeting the criteria and located outside the Green Belt. Such development will only be permitted within the housing development boundary defined on the Proposals Map (see Policy RA2). In those villages washed over by the Green Belt development proposals will be considered in the context of national policy set out in PPG2 <u>the NPPF</u> . In addition the rural exceptions site Policy RA4 will provide the opportunity for affordable housing based on local needs.	-	Change to reflect the need to provide additional dwellings in Policy RA2 villages and to update the reference to national planning policy guidance.
SPC142	96	Para 5.25	In villages washed over by the Green Belt with a housing development boundary as defined on the Proposals Map proposals for residential and employment development will be determined in accordance with national policy set out in PPG2 <u>the NPPF</u> .	-	Change to update the reference to national planning policy guidance.
SPC143	96	Policy RA1	POLICY RA1 Development in the villages meeting the listed criteria <u>At the villages outside the Green Belt, proposals for residential and employment development of a scale, character and appearance appropriate to the village and its setting will be acceptable within in and adjoining the housing development boundary provided the proposal is in accordance with the spatial strategy for the District set out under policy DW1 and the village has:</u> a: at least 3 of the following key facilities within the village: post office, school, community meeting place and	RC35	Response to Inspector's questions 8.2 and 8.3 in ID/7 to clarify policy RA1 (see BNES/9)

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<p>convenience shop, and</p> <p>b: at least a daily Monday-Saturday public transport service to main centres, and</p> <p>c: local community support for the principle of development can be demonstrated.</p> <p><u>At the villages which meet these criteria, development sites will also be identified in the Placemaking Plan and the housing development boundary will be reviewed accordingly to enable delivery during the Plan period of 1,110 dwellings identified on the Key Diagram. Residential development on sites adjoining the housing development boundary at these villages will be acceptable if identified in an adopted Neighbourhood Plan.</u></p> <p><u>Proposals at villages outside the Green Belt for employment development of a scale, character and appearance appropriate to the village and its setting will be acceptable within and adjoining the housing development boundary.</u></p>		
SPC144	96	Policy RA2	<p>In villages outside the Green Belt with a housing development boundary defined on the Proposals Map and not meeting the criteria of policy RA1 proposals for <u>some limited residential development</u> and employment development will be acceptable where:</p> <p>a they are of a scale, character and appearance appropriate to the village</p> <p>b: in the case of residential development they lie within the housing development boundary</p> <p>c: in the case of employment development they lie within</p>	-	Change to reflect the need to provide additional dwellings in Policy RA2 villages

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<p>or adjoining the housing development boundary</p> <p><u>At the villages which meet the above criteria, residential development sites may also need to be identified in the Placemaking Plan and the housing development boundary reviewed accordingly to enable delivery of 1,110 dwellings identified on the Key Diagram. Limited residential development on sites adjoining the housing development boundary at these villages will be acceptable if identified in an adopted Neighbourhood Plan.</u></p>		
-	99	Para 5.29	<p>This policy will apply to all market housing developments across the District. Villages which meet the criteria of policy RA1 will benefit from this policy and sites will be allocated through the Placemaking Plan. Beyond this, local need for affordable housing across the rural areas will be primarily met through the rural exceptions policy. There may also be opportunities to convert rural buildings into affordable housing under the Government's emerging proposals for the 'home on the farm' scheme. <u>If there are rural buildings which are no longer required for local food production, there may also be opportunities to convert them to affordable housing under the Government's emerging proposals for the 'home on the farm' scheme.</u> Any development proposals coming forward under the Community Right to Build are to be considered separately from the rural exceptions policy.</p>	FPC5 (duplicated PC76)	Included for information and not part of the current consultation. Change made in response to the Inspector's queries.
SPC145	-	New para 5.42A	<p><u>Development at Whitchurch</u></p> <p><u>In order to meet the need for additional development within the District during the Plan period, land needs to be removed from the Green Belt to provide for housing at Whitchurch. 			<p>maximise opportunities for the use of district heating.</p> <p>Where a district heating scheme is proposed as part of a major development the Council will expect the scheme to demonstrate that the proposed heating and cooling systems (CHP/CCHP) have been selected considering the heat hierarchy in line with the following order of preference:</p> <ol style="list-style-type: none"> 1. Connection with existing CHP/CCHP distribution networks 2. Site wide CHP/CCHP fed by renewables 3. Gas-fired CHP/CCHP or hydrogen fuel cells, both accompanied by renewables 4. <u>3.</u> Communal CHP/CCHP fuelled by renewable energy sources 5. 4. Gas fired CHP/CCHP <p>Delivery</p> <ol style="list-style-type: none"> 1 This policy will provide a basis for Development Management to support the principle of CHP, CCHP and District Heating included in planning applications 2 Planning Applications within the DHPAs will need to demonstrate how they are incorporating district heating and to justify any alternative approach. 3 Planning Obligations or a Community Infrastructure Levy (CIL) may be able to be used to contribute towards the delivery of the delivery of strategic district heating infrastructure. 4 Further opportunities for interventions that will increase commercial viability of district heating will be <u>are</u> identified in the B&NES District Heating Feasibility Study and will include actions that the Council and the Private Sector could <u>can</u> initiate. 		

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
SPC158	110	Diagram 19	Amend Diagram 19 to distinguish between 'Distinct Heating Priority Areas' (Bath Central, Bath Riverside and Keynsham Town Centre) and 'District Heating Opportunity Areas' and amend Key accordingly. <i>[see page (ix) for proposed changes to Diagram 19 appended to this schedule]</i>	-	Change made in response to ID/30 (paras 2.1-2.3)
SPC159	112	Para 6.26	PPS25 The NPPF requires that new development is located in sustainable locations, at the least risk of flooding, taking into account vulnerability to flooding.	-	Change made to reflect change in Government policy.
SPC160	112	Para 6.27	PPS25 The NPPF and its associated Practice Guide Technical Guidance provides the national requirements in terms of the Sequential and Exception Test, the need for planning applications to be supported by a Flood Risk Assessment, and the priority given to utilising sustainable drainage techniques in new development. The Council has published Strategic Flood Risk Assessments (SFRAs), providing detailed information on all sources of flooding across the district. Furthermore a subsequent Flood Risk Management Strategy (July FRMS June 2010) tested various flood risk management options for the district and provided recommendations in terms of both on-site and strategic flood risk management solutions. <u>The FRMS will be reviewed as new evidence become available.</u> The requirements and guidance offered in these documents should be followed applying flood risk policy principles, deciding on appropriate mitigation, and managing surface water by applicants when considering new development across the district.	Amends FM10	Non-material change for the purposes of updating the draft Core Strategy. Further change made to reflect change in Government policy.
SPC161	112	Para 6.28a	The Flood Risk Management Strategy (June 2010) has identified and assessed a range of flood risk management options to enable development in vulnerable areas without	Amends PC83	Change made in response to issues raised in ID/28

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<p>increasing the flood risk elsewhere. The Strategy has concluded that there is no strategic solution to reducing peak flow through Bath which is either technically or economically viable. As such the Strategy proposes the provision of compensatory storage upstream combined with on site flood defences. New development must provide storage to offset the volume of water that would be displaced in a flood event by the defences on site. <u>Following the Flood Risk Management Strategy, the Hydraulic Modelling (Bath Flood Risk Management Project Feb 2013 by B&V) was prepared. It confirms that the impact of raising the key development sites in the Central Area and the Enterprise Area in Bath is a loss of conveyance, rather than a loss of flood storage. It recommends, where necessary, to raise all the development sites and the access/egress routes (or raise defence walls) and implement conveyance mitigation measures. New development should be safe and not increase risk elsewhere.</u></p>		
SPC162	112	Para 6.28b	<p>A sequential risk based approach was taken to formulate these policies and the high level Sequential / Exception Test report was prepared and agreed in partnership with the Environment Agency. However, flood risk should be taken into account at all stages in the planning process and the sequential approach should still be taken within these policy areas to minimise risk by directing the most vulnerable development to areas of lowest flood risk, matching vulnerability of land use to flood risk at a site level. (Table D-1 Flood zones and D-2 Flood Risk Vulnerability Classification of <u>the Technical Guidance to the PPS25 NPPF</u>) Therefore site specific Sequential/Exception Test reports should be undertaken when determining future site allocations in the</p>	-	Change to update the reference to national planning policy guidance.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			Placemaking Plan or a planning application where necessary.		
SPC163	112	Para 6.29	New developments can also increase pressure on sewer systems and urban drainage. It is therefore important to manage the impact of developments in a sustainable manner. <u>PPS25 The NPPF and its associated Technical Guidance</u> provides an opportunity for all those with responsibility for the drainage of new development to contribute to managing flood risk, improving amenity and biodiversity, and improving water quality. As a minimum the negative impacts of development on surface water runoff should be mitigated.	-	Change to update the reference to national planning policy guidance.
SPC164	112	Para 6.30	In addition to the concerns over flood risk, there is increasing pressure for efficient and sustainable use of water resources. This can be helped by incorporating Sustainable Urban Drainage Systems (SuDS) and grey water reuse systems into new developments (as per <u>PPS25 the NPPF</u> and the Building Regulations, Part H).	-	Change to update the reference to national planning policy guidance.
SPC165	113	Policy CP5	Development in the district will follow a sequential approach to flood risk management, avoiding inappropriate development in areas at risk of flooding and Bath and North East Somerset Draft Core Strategy with Proposed Minor and Significant Changes incorporate directing development away from areas at highest risk in line with Government policy (<u>NPPF PPS25</u>).	NPPF3	Change made to reflect change in Government policy.
-	114	Para 6.37	<u>All development schemes with a residential component</u> <u>Housing schemes will be assessed using the expected to</u>	FPC8	<i>Included for information and not part of the current consultation.</i>

					Inspector's queries.
SPC176	123	Para 6.71	The JWCS applies to all waste, with the exception of radioactive waste, which is dealt with at a national level and sets out the authorities' aspirations for all levels of waste management until 2026-2029 : prevention; recycling; recovery; and disposal. When adopted, the JWCS policies will supersede the Local Plan waste policies. Details can be found at www.westofengland.org/waste/planning	-	Change to reflect shift in plan period.
SPC177	122	Para 6.74	Affordable housing is defined as housing that meets the needs of households whose income does not allow them to rent or buy at prevailing local market prices. It comprises: <ul style="list-style-type: none"> - social rented housing: i.e. rented housing owned and managed by local authorities or Registered Social Landlords for which guideline target rents are determined through the national rent regime), or - <u>affordable rented housing: let by local authorities or private registered providers of social housing to households who are eligible for social rented housing.</u> - intermediate housing: where housing prices and rents are above social rent but below market prices or rents. <u>Examples can include shared equity (shared ownership and equity loans), but not affordable rented housing. Examples of intermediate housing include shared ownership (part rent / part sale), equity loan and intermediate rent.</u> 	-	Changes for the purposes of clarity.
SPC178	122	Para 6.75	<u>In order to understand the local housing market and assess current and future housing requirements and need for Bath & North East Somerset the Council commissioned a SHMA which was published in 2013.</u> The SHMA shows that the need for affordable housing in B&NES is high and	-	Change to reflect updated evidence – 2013 SHMA

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			that the affordability gap between local incomes and market house prices is very wide. The Strategic Housing Market Assessment (SHMA) estimates that typically less than 50% of households where the head of household is under 35 years old could afford to buy or rent within the district over the period 2010-2026-2029. This affordability gap results in high levels of housing need which are not being met by vacancies in the existing stock of affordable housing or by recent new supply.		
SPC179	122	Para 6.76	To better understand the workings of housing markets at the sub-regional and local level the Council jointly commissioned a SHMA which appraised the housing market across the subregion of the West of England. The SHMA shows that an increasing proportion of the total dwelling stock is accounted for by the private rented sector. The SHMA estimates that around 36% of the requirement for overall housing between 2011 and 2031 is for affordable homes. The assessment, published in 2009, has demonstrated a high level of need for affordable housing throughout the district, taking account of current and future projected market conditions. The level of unmet affordable housing need is high and based on the evidence from the SHMA the Council could theoretically require 100% of all future planned residential development to be affordable housing.	-	Change to reflect updated evidence – 2013 SHMA
SPC180	122	Para 6.77	The assessment also provides a profile of this need in terms of likely tenure split between rented and intermediate affordable housing and the likely type / size requirements. The SHMA suggests that in B&NES a tenure split of 93%/7% social rent to intermediate housing is appropriate. This is based on the evidence of housing need and does not take in to account the need to create	-	Changes for the purposes of clarity and to enable greater flexibility in identifying the appropriate tenure of affordable housing provision to reflect changing circumstances during the plan period.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change												
			balanced communities and therefore the Council believes a 75%/25% tenure split to be more sustainable. In making provision for affordable housing further guidance on the tenure split between social and affordable rent and intermediate housing that will be sought by the Council and the circumstances in which different tenures will be acceptable will be set out in the Planning Obligations SPD.														
SPC181	122	Para 6.78	To understand the capacity of private development to deliver affordable housing the council has commissioned a viability study. The B&NES Viability Study (Three Dragons, July 2010) and Update (December 2012) have has taken account of market prospects and a range of cost implications including other Section 106 obligations in order to create a baseline level of affordable housing that will be viable in the majority of schemes without recourse for public subsidy.	-	Change arising from the Hearings (see ID/30, paras 3.1-3.7).												
SPC182	122	Para 6.79	The study has identified some geographical variance in viability across the district. <u>This supports geographical variation in the proportion of affordable housing that should be sought (as outlined in the table below).</u> and hence any district wide policy must reflect the fact that any affordable housing target is seen as an average with some higher value areas capable of delivering more affordable housing and some less.	-	Change arising from the Hearings (see ID/30, paras 3.1-3.7) and to reflect the recommendations of the updated Affordable Housing Viability Study (2012).

			<p>equivalent, through the development management process. Applicants are recommended to hold early conversations with Affordable Housing Development Enabling Team in order to agree the affordable housing provision and in particular the likely availability of public subsidy.</p> <p>In exceptional circumstances.....</p>		
SPC190	124	Policy CP10	<p>Add the following text to the end of Policy CP10: <u>The specific accommodation needs of older people will be addressed through the Placemaking Plan, including considering the allocation of appropriate sites.</u></p>	RC52	Change arising from the Hearings.
SPC191	-	New Diagram 20b	<p>Heading: <u>Geographic two-way split for affordable housing (indicative)</u></p> <p>Show the geographic two-way split for affordable housing across the district.</p> <p><i>[see page (x) for new Diagram 20b appended to this schedule]</i></p>	-	Subsequent change arising from response to ID/30, paras 3.1-3.7.
SPC192	124	Para 6.81	<p>Gypsies, Travellers & Travelling Showpeople</p> <p>Local Development Frameworks <u>Plans</u> must consider the accommodation needs of Gypsies, Travellers and Travelling Showpeople. There is currently a national and local shortage of authorised sites for these communities. Taking steps to address this will help to improve access to services for Gypsies, Travellers and Travelling Showpeople (including health care, schools and shops) and also help to reduce conflicts that can arise from the setting up of unauthorised camps.</p>	Amends FPC18	Changes to Policy CP11 and supporting text to address Inspector's concerns in ID/30 (paras 4.1 & 4.2).

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
SPC193	124	Para 6.81a	Gypsies, Travellers and Travelling Showpeople are not one single group and their differing cultural needs relating to residential homes <u>the provision of permanent pitches</u> and stopping places must be considered. There are currently no permanent authorised Gypsy and Traveller sites within the District.	Amends FPC19	Changes to Policy CP11 and supporting text to address Inspector's concerns in ID/30 (paras 4.1 & 4.2).
SPC194	124	Para 6.81b	The West of England Gypsy and Traveller Accommodation Assessment (WoE GTAA) undertaken in 2007 recommends that 19 permanent pitches and 20 transit pitches are found for the gypsy and travelling communities in Bath & North East Somerset for the period to 2011. The WoE GTAA also indicates that one plot is provided travelling showpeople in Bath & North East Somerset for this period.	Amends FPC20	Changes to Policy CP11 and supporting text to address Inspector's concerns in ID/30 (paras 4.1 & 4.2).
SPC195	-	Para 6.81c	<u>In March 2012 the Government published 'Planning Policy for Traveller Sites', alongside the NPPF, which seeks to align planning policy for Travellers with other housing. This requires the Council to demonstrate a five year supply of deliverable sites and a further five and where possible, ten year supply of developable sites. The Council has undertaken a refreshed assessment of need which updates the West of England Gypsy and Traveller Accommodation Assessment undertaken in 2007 for the Bath & North East Somerset area. This establishes the level of need for five, ten and fifteen year supply of sites in accordance with Planning Policy for Traveller Sites. The report has identified the need for 28 permanent and 5 transit pitches, and 40 Travelling Showmen's plots to be provided for the period 2012 - 2027. The Council will identify sites to respond to the established accommodation needs gypsies, travelers and travelling showpeople through separate Development Plan Documents (DPDs)</u>	Amends FPC21	Changes to Policy CP11 and supporting text to address Inspector's concerns in ID/30 (paras 4.1 & 4.2).

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<u>for the period to 2011 for the travelling communities residing in or resorting to Bath & North East Somerset as required by national policy in a separate Development Plan Document. Planning Policy for Traveller Sites clarifies that for a site to be considered deliverable it must be available now and offer a suitable location for development now, and be achievable and viable with a realistic prospect it can be delivered within five years.</u>		
SPC196	-	New para 6.81d	<u>Planning Policy for Traveller Sites states that Traveller sites should be guided towards making effective use of previously developed, untidy or derelict land. It also states that development in the open countryside away from existing settlements or outside areas allocated in the development plan should be strictly limited. It does recognise, however, that some rural areas may be suitable for traveller's sites providing the scale of these sites does not dominate the nearest settled community and avoid placing an undue pressure on local infrastructure.</u>	-	Changes to Policy CP11 and supporting text to address Inspector's concerns in ID/30 (paras 4.1 & 4.2).
SPC197	124	New para 6.82 (includes part of previous para 6.81c)	<u>The NPPF establishes a presumption against inappropriate development in the Green Belt unless very special circumstances can be demonstrated and the harm caused can be outweighed by other considerations. Planning Policy for Traveller Sites reiterates that sites in the Green Belt are inappropriate development.</u> The criteria in Policy CP11 will be used to guide the identification of suitable sites for allocation in the relevant DPD and to identify sites to meet <u>respond to</u> future accommodation needs when assessed. These criteria will also to be used when considering planning applications that may happen before the DPDs are prepared or in addition to sites being allocated.	Amends FPC21	Changes to Policy CP11 and supporting text to address Inspector's concerns in ID/30 (paras 4.1 & 4.2).

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
SPC198	124	Policy CP11	<p>POLICY CP11 Gypsies, Travellers & Travelling Showpeople</p> <p>The following criteria will be used to guide the identification and allocation of suitable, <u>available and deliverable or developable sites in a Development Plan Document</u> to respond to the established accommodation needs of Gypsies, Travellers and Travelling Showpeople to 2011 and their accommodation needs beyond 2011 once assessed for the Plan period. Proposals for sites for Gypsies, Travellers and Travelling Showpeople accommodation will be considered against the following criteria <u>permitted provided</u>:</p> <p>a: <u>the site is suitably located to allow access to local community services and facilities, including shops, schools and health facilities, and employment opportunities should be accessible by foot, cycle and public transport by sustainable modes of transport</u></p> <p>b: satisfactory means of access can be provided and the existing highway network is adequate to service the site</p> <p>c: the site is large enough to allow for adequate space for on-site facilities and amenity <u>amenities including play provision</u>, parking and manoeuvring, as well as any commercial activity live/work pitches <u>if required to enable traditional lifestyles</u></p> <p>d: the site <u>is well-designed and well-landscaped</u> does not harm and has no unacceptable adverse impact on the character and appearance of the surrounding area</p> <p>e: adequate services including utilities, foul and surface water and waste disposal can be provided as well as any necessary pollution control measures</p>	Amends FPC22	Changes to Policy CP11 and supporting text to address Inspector's concerns in ID/30 (paras 4.1 & 4.2).

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<p>f: use of the site must have <u>there is no harmful unacceptable impact on the amenities, health and well-being of occupiers of the site or on of neighbouring occupiers as a result of the development</u></p> <p>g: the site should avoid areas at high risk of flooding and have no adverse impact on protected habitats and species, <u>nationally recognised designations, landscape designations and heritage assets and their settings</u> and natural resources</p> <p>h: <u>the scale of the development does not dominate the nearest settled community nor place undue pressure on the local infrastructure</u></p> <p>i: <u>the site does not lie within the Green Belt unless there are very special circumstances.</u></p> <p>Delivery: Delivery will be through the Development Management process. Sites will be identified through the Gypsies and Travellers DPD to meet identified accommodation needs up to 2011 and beyond once assessed <u>for the Plan period.</u></p>		
SPC199	126	Para 6.87	<p><i>Amend first sentence of para 6.87 as follows:</i></p> <p>By 2026 <u>2029</u>, the District will have a more environmentally sustainable economy with increased local employment, less overall commuting, a reduction in the contribution made by commerce and industry to the carbon footprint of the area, and a strong low carbon business sector.</p>	-	Change to reflect shift in plan period.
SPC200	126	Delivery	Sites will be identified and allocated in the Placemaking Plan to meet the identified employment space requirements. Delivery of economic development will also be facilitated by the B&NES Economic Strategy, the	-	In response to the Public Services (Social Value) Act 2012

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			Regeneration Delivery Plans and the Development Management process. Working alongside local communities and partners will be essential to deliver the ambitions of the Economic Strategy <u>and developers may be asked to support the objectives of the Strategy through a Targeted Recruitment, Training and Supply-chain Protocol.</u>		
SPC201	128	CP12 Delivery section	<p>The place-based sections for Bath, Keynsham, Midsomer Norton and Radstock will set out more detail on the approach to the centres contained in those settlements.</p> <p>The boundaries for all of the centres listed within the hierarchy are defined on the Proposals Map. Other than the Bath city centre boundary these boundaries reflect those established in the Bath & North East Somerset Local Plan. The Placemaking Plan will review these boundaries and identify sites for development. It will also review and define, where appropriate, the primary shopping areas and retail frontages in the larger centres. These designations will be supported by development management policies in the Placemaking Plan to guide decisions on individual planning applications.</p> <p>An updated retail study will be undertaken during 2010/11 to support future planning decisions and guide the Placemaking Plan.</p> <p>PPS4 'Planning for Sustainable Economic Development' contains national planning policies towards development in town centres and for economic development in general which are a material consideration and will inform decisions on specific proposals. Main town centre uses will be subject to the sequential and impact tests set out in the NPPF.</p>	Amends NPPF4	Original amended to bring terminology used in the Delivery section into line with NPPF, para 24.

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
SPC202	129	Para 6.101	The reduction of the adverse effects of transport on climate change and air quality, particularly in Air Quality Management Areas (AQMA) in Bath and Keynsham and in future AQMAs, will be managed in accordance with PPS1 and PPS23 <u>the NPPF</u> .	-	Change to update the reference to national planning policy guidance.
-	134	Para 7.04	Progress against many objectives/policies can be measured quantitatively and this is reflected in the targets set out in the framework below. Where appropriate the target is set out in a way that will help to inform review of the Core Strategy in accordance with the programme set out in Para 7.05 below. However, others objectives/policies do not lend themselves to this quantification and where appropriate a qualitative target is included in order to enable performance is to be measured in a different way. Monitoring performance against the indicators set out is principally undertaken through the Annual Monitoring Report (AMR). The AMR is published in December each year and in addition to setting out monitoring information includes analysis of whether and how the policies are being delivered. In so doing it will inform the process of Core Strategy policy review and provides evidence to inform formulation of policies in other Local Development Documents.	FPC23	<i>Included for information and not part of the current consultation.</i> Change made in response to the Inspector's queries.
SPC203	134	Para 7.05	The Core Strategy is anticipated to be reviewed about every 5 years after its adoption. The review process will commence around 2 to 3 years in advance of the review date in order to enable the timely and considered preparation and adoption of revised policies. New Para 7.05a: <u>Delivery</u> <u>If, after the first 5 years following adoption, monitoring</u>	Amends RC53	Initial change in response to Inspector's question 2.16 in ID/7 (see BNES/5 and further changes to this wording set out in BNES/24).

Change Ref	Page No in Draft Core Strategy	Plan Ref	Proposed Change to the Submitted Core Strategy	Original change Ref	Reason for change
			<p><u>demonstrates that the planned housing provision, including affordable housing, is not being delivered at the levels expected and there would be no reasonable prospect of the delivery of 12,700 homes to 2029, then the review of the Core Strategy will entail changes to rectify the housing shortfall taking account of the impact of the performance of the economy on the need for and delivery of housing. This may include changes to the spatial strategy if required.</u></p> <p>New Para 7.05b: <u>Review of growth targets</u></p> <p><u>The Council will also monitor economic growth rates, to assess whether targets being planned continue to be appropriate. If required the Council will agree revised targets and make any necessary changes to the spatial strategy to meet the new targets</u></p> <p>New Para 7.05c (to include some text formerly in Para 7.05): <u>Duty to Co-operate</u></p> <p><u>These reviews will be undertaken in co-operation with neighbouring authorities, particularly in the West of England in accordance with the Duty to Co-operate to ensure that cross-boundary issues are addressed. This will include a review of the plan period. The timetable for preparing other Local Development Documents is set out in the Council's Local Development Scheme.</u></p>		
-	135	Table 9	Amend heading of column 4 from 'Quantification of objective' to ' <u>Target</u> '	FPC24	<p><i>Included for information and not part of the current consultation.</i></p> <p>Change made in response to the Inspector's queries.</p>

			<p>considering land allocations for development to avoid flood risk where possible. The risk of flooding to the site should be assessed and the land should be classified into the appropriate flood zone (Table D.1 of PPS25-1 Flood zones <u>and 2 Flood Risk Vulnerability Classification of the Technical Guidance to the NPPF</u>).</p>		

Proposed changes to the Core Strategy Diagrams

Diagram	Change Ref	Proposed Change	Page
Diagram 4 (Key Diagram)	SCP28	Remove all Policy RA1 notation and amend the key	i
	SPC29	Amend the housing and employment figures for Bath, Keynsham, the Somer Valley and the Rural Areas	
	SPC30	Amend urban area of Bath/Green Belt in the vicinity of Odd Down so that it more accurately illustrates the general extent of the Green Belt (to show the park & ride site and adjoining land within the Green Belt)	
	SPC31	Illustrate general extent of Green Belt as proposed to be amended & add new development locations	
	SPC32	Update to only include the three “District Heating Priority Areas” – Bath Central, Bath Riverside and Keynsham Town Centre	
Diagram 5 Bath Spatial Strategy	SPC47	Indicate areas where land will be released from the Green Belt to accommodate additional dwellings and employment floorspace.	ii
	SPC48	Bath’s Neighbourhoods label to be amended to reflect revised policy wording.	
	SPC49	Amend the area of search for location of flood storage facility to extend westwards following the line of the river.	
	SPC50	Amend Central Area boundary so that it follows the riverside walk along the eastern riverside walk (outer bend) of the River Avon (between North Parade and Pulteney Bridge, rather than encompassing the Recreation Ground/North Parade Road.	
Diagram 6 The Central Area and Western Corridor	SPC61	Amend Central Area boundary so that it follows the riverside walk along the eastern riverside walk (outer bend) of the River Avon (between North Parade and Pulteney Bridge, rather than encompassing the Recreation Ground/North Parade Road.	iii

900 jobs

2,700 homes
1,000 jobs

Correct depiction of urban area notation at Odd Down Park & Ride

Remove all Policy RA1 notation

Replace text with "Area of search for location of Flood Mitigation Measures"

Add identified development locations

Newbridge and Twerton Riversides
Industrial focus north of the river. Mixed use to the south.

Lansdown Park & Ride (EXPANDED)

A46 - M4 TO BRISTOL & SWINDON

Amend Central Area boundary so that it follows the riverside walk along the eastern riverside walk (outer bend) of the River Avon (between North Parade and Pulteney Bridge, rather than encompassing the Recreation Ground/North Parade Road.

Rename and extend the area for flood mitigation measures

Western Riverside
Residential led Regeneration

Central Area
Protect historic character. Broad range of developments to upgrade environmental quality and functional role

Indicate areas where land will be released from the Green Belt to accommodate additional dwellings and employment floorspace.

DIAGRAM 5
BATH SPATIAL STRATEGY

KEY

- ◆ City Centre - Including Primary Shopping Area
- Area of search for location of Flood Storage Facility
- Former Fuller's Earthworks - potential residual waste facility (see JWCS)

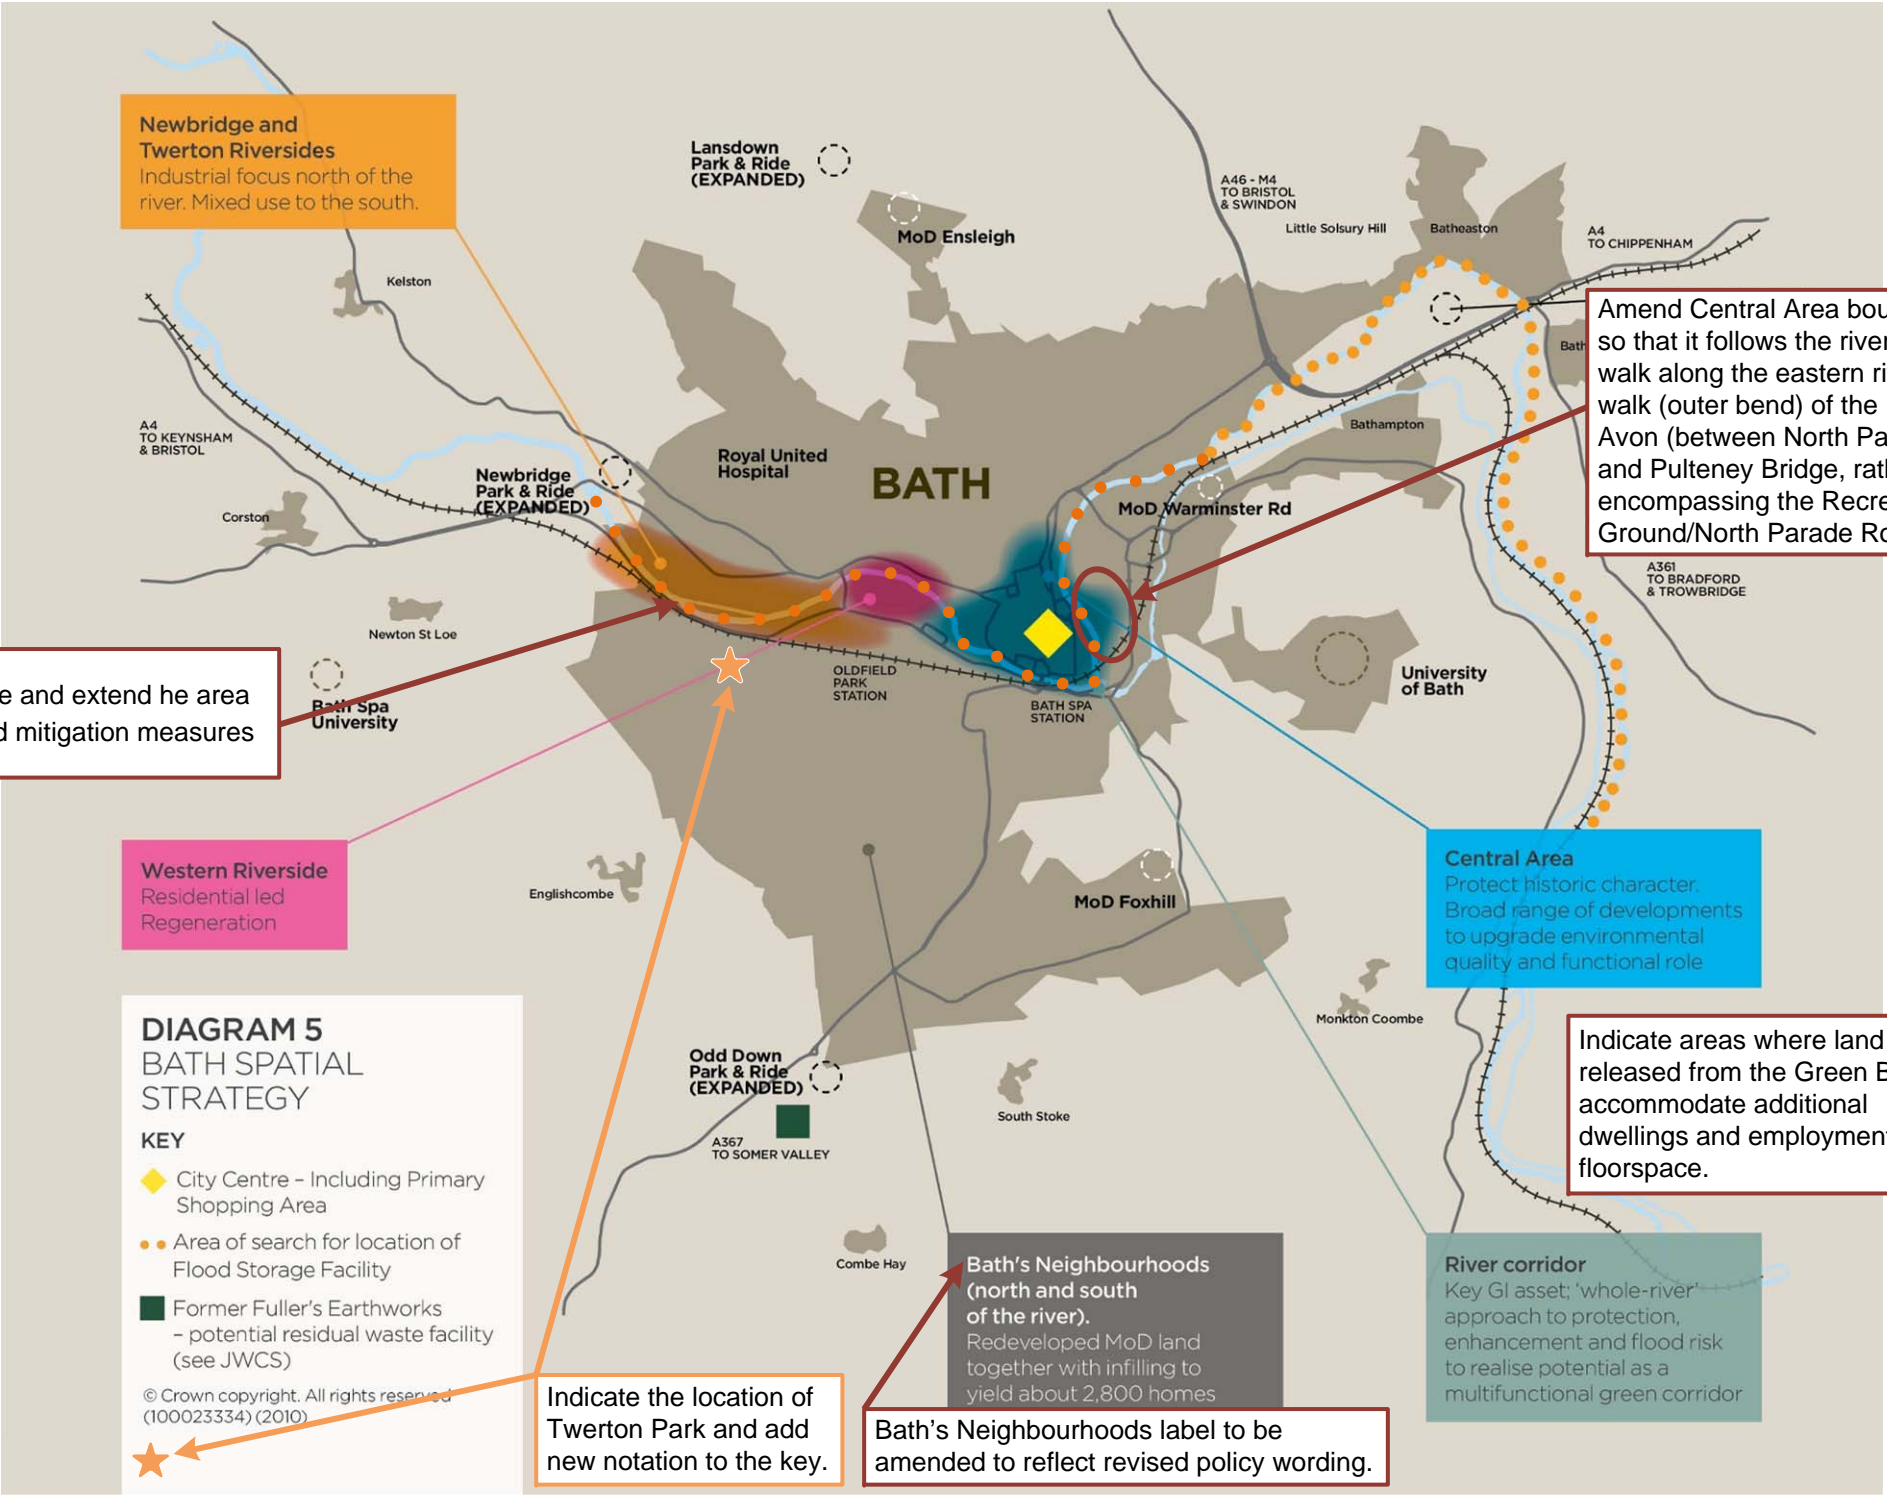

© Crown copyright. All rights reserved (100023334) (2010)

Indicate the location of Twerton Park and add new notation to the key.

Bath's Neighbourhoods (north and south of the river).
Redeveloped MoD land together with infilling to yield about 2,800 homes

Bath's Neighbourhoods label to be amended to reflect revised policy wording.

River corridor
Key GI asset; 'whole-river' approach to protection, enhancement and flood risk to realise potential as a multifunctional green corridor
