Due to the amount of information and the size of venues we need to prioritise the information displayed based on the location of the exhibition. We do have the full set of boards available or printed out so if there is anything you cannot find, please let one of the B&NES team know as they will be able to help.

If you have any queries, we have a team of Council officers in attendance who will be happy to help.

The full set of exhibition boards is also available to download from www.bathnes.gov.uk/localplan2016-2036
