

Access from Hicks Gate Farm to the eastbound A4 to be confirmed, either by:

- No specific provision resulting in access onto westbound A4 and using the existing right turn facility near Wyvale Garden centre to make a U-turn, or
- Designing an access from the farm into the P&R site beyond the lockable barriers which allows uninterrupted access to the new dual carriageway to the south.

Refer to drawing 674726.CA.51.01-002 for notes relating to the connector link road
