TRANSFER TO SECONDARY EDUCATION SEPTEMBER 2021
ALLOCATIONS SHEET FOR ST GREGORY'S CATHOLIC COLLEGE - PLACES AVAILABLE 160

Applications for all schools have been considered under an equal preference system which means that all preferences (1st, 2nd, 3rd, 4th & 5th) for each school have been considered equally for places under the school's published admissions criteria. If there were any cases where more than one of the school preferences named on the application form could have been met only the highest preference school has been allocated by the Local Authority.

A total of **558** applications were originally received for St Gregory's Catholic College which has an Admission Number of **160**. As the school was oversubscribed applications have been considered by the Governors and places have been allocated in accordance with the school's published admissions criteria stated in the booklet 'A Secondary School for Your Child' and which are listed below in priority order. If, under any of the categories listed, places were offered and refused, places have been allocated using the 'random allocations' technique which took place in front of a witness with no connection to the College.

9 places have been offered to children with an Education, Health and Care Plan where the school has been named in their plan. These children are included within the Admission Number for the school.
