

TRANSFER FROM INFANT TO JUNIOR STAGE EDUCATION 2023/24

This form should only be used to apply for a place at any Junior school in England. If you want to apply for a transfer to a Primary school, you will need to make a separate In Year application in June 2023.

If you are a resident of Bath and North East Somerset you can apply online via our web site <u>Admissions to Schools</u>. Alternatively complete this form (one for each child) using BLOCK CAPITALS. The closing date is 15th January 2023.

If you live outside of this Local Authority (LA) do not fill in this form. Contact your home authority for an application.

SECTION 2- SCHOOL PREFERENCES

Your preferred **Junior** school(s) should be shown in the preference boxes below in priority order. The booklet gives a detailed explanation of the equal preference system. You do not have to show a second or third preference if you do not wish, although you are strongly recommended to do so. You can express a preference for any **Junior** school, including Voluntary Aided (VA) or Academy Schools, within any Local Authority (LA). **Please do not use this form to apply for a primary school place**. You will need to complete an In-Year application in June 2023 as any such request has to be considered for a place in an existing year group and is dealt with under the In-Year admissions scheme. As there is no guarantee that places within a primary school will be available, please make a **Junior** school transfer application by the closing date so that your child is not disadvantaged and can be considered alongside other children for whom Junior school preferences have been made.

Please consider your preferences carefully as, after the closing date, if you decide to change your school preference (or preference order) your original application will be withdrawn, and your child will NOT be considered for a school place in the first round of allocations even if the original application was received before the closing date. (See booklet for further details)

Completion of the boxes does not guarantee that a place can be offered to your child at one of these schools. Every effort will be made to offer you a school of your preference. However, if schools receive more applications than places available, the admissions criteria will be used to decide which children can be offered places. Please note that all preferences are considered equally and if your child qualifies for a place at more than one school you will be offered your highest preference school.

When completing your preferences if there is more than one school with the same name please also include the area in which the school is situated.

Postcode of School						
My 2 nd Preference school is:

My 3 rd Preference school is:

Please tick any of the following reasons for your school preference(s). You may tick as many reasons as you like for each preference.

You may give reasons for your school preferences including religious or philosophical ones which all admission authorities will have regard to, but you should note that all allocations must be made in accordance with the published admissions criteria if a school is oversubscribed.

As well as completing this application form certain VA or Academy Schools require you to complete a supplementary information form (SIF), copies of which are available from the schools direct.
