

## **SECONDARY TRANSFER AND YEAR 10 INTAKE 2023/24**

If you are a resident of Bath and North East Somerset you can apply online by visiting our web site <u>Admissions to Schools</u>. Alternatively complete this form (one for each child) using a ball point pen and BLOCK CAPITALS. The closing date for all applications is 31 OCTOBER 2022. You can apply for any school regardless of whether the school is in or outside of Bath & North East Somerset.

If you live outside of this Local Authority (LA) do not fill in this form. Contact your home authority for an application form. You will be able to use that form to apply for schools in this authority.

All applicants for Bath and North East Somerset Schools should ensure that they have read the booklet 'A Secondary School for your Child in Bath & North East Somerset 2023/24'.

## **SECTION 2- SCHOOL PREFERENCES**

Your preferred school(s) should be shown in the preference boxes below in priority order. You can express a preference for any school, including Voluntary Aided (VA) or Academy Schools, within any Local Authority (LA). Some schools may also offer Year 7 boarding places as well as day places. If you want to apply for a boarding school place you need to include this in your list of schools as this will count as one of your 5 preferences but please add the word boarding after the school name. You can apply for a Year 7 day place at the same school but as this will be counted as a separate preference to any boarding school preference you may have made it is very important that you list them in your priority order (see also Section 3).

Please consider your preferences carefully as, after the closing date, if you decide to change your school preference (or preference order) your original application will be withdrawn, and your child will NOT be considered for a school place in the first round of allocations even if the original application was received before the closing date. (See booklet for further details)

Completion of the boxes does not guarantee that a place can be offered to your child at one of these schools. Every effort will be made to offer you a school of your preference. However, if schools receive more applications than places available, the admissions criteria will be used to decide which children can be offered places. Please note that all preferences are considered equally and if your child qualifies for a place at more than one school you will be offered your highest preference school. The booklet gives a detailed explanation of the equal preference system.
