SECTION 2- SCHOOL PREFERENCES

Your preferred school(s) should be shown in the preference boxes below in priority order. You can express a preference for any school, including Voluntary Aided (VA) or Academy Schools, within any Local Authority (LA). Some schools may also offer Year 7 boarding places as well as day places. If you want to apply for a boarding school place you need to include this in your list of schools as this will count as one of your 5 preferences but please add the word boarding after the school name. You can apply for a Year 7 day place at the same school but as this will be counted as a separate preference to any boarding school preference you may have made it is very important that you list them in your priority order (see also Section 3).

Please consider your preferences carefully as, after the closing date, if you decide to change your school preference (or preference order) your original application will be withdrawn, and your child will NOT be considered for a school place in the first round of allocations even if the original application was received before the closing date. (See booklet for further details)

Completion of the boxes does not guarantee that a place can be offered to your child at one of these schools. Every effort will be made to offer you a school of your preference. However, if schools receive more applications than places available, the admissions criteria will be used to decide which children can be offered places. Please note that all preferences are considered equally and if your child qualifies for a place at more than one school you will be offered your highest preference school that they have qualified for. The booklet gives a detailed explanation of the equal preference system.

You should note that the offer of a school place can be withdrawn by the LA even after your child has started school if, at a later date, it is established that the place was offered on a basis of false or misleading information. If you knowingly give false information in order to obtain a school place you could be prosecuted for the offence of fraud by false representation under the Fraud Act 2006 or any other appropriate act.

If false information is provided your application will be void and you will be required to submit a further application. If this is received after the published closing date it will then be regarded as a late application. If it is found that a sibling currently at the school was also offered a place on the basis of false information, then for any further applications received, the authority will discount the sibling’s connection.

In fairness to all parents the Council reserves the right to require documentary evidence of the genuineness of the family address and, if this is not produced, the Council reserves the right to make its own enquiries with, for example, the Council Tax Offices and other authorities.
