

**Are you thinking of starting your own business?**

**Are you the owner of a newly started business in Bath & North East Somerset?**

**Would you benefit from receiving start-up advice and guidance from an experienced business adviser?**

**Business West and B&NES Council have combined to provide a series of 'Starting in Business Awareness' workshops and one-to-one Advice Clinics that are free of charge to eligible businesses.**

**Starting in Business Awareness Workshops:**

These workshops will provide you with the fundamental information you need to consider when going self-employed or starting a business. Awareness workshops will cover:

- Is self employment /setting up a business right for me?
- Understanding how to set up
- Complying with legislation
- How to find customers
- Next Steps

**One-to-one Business Advice Clinics:**

- An opportunity to talk through any business issues with an experienced business adviser in a private and confidential office environment in Central Bath or Midsomer Norton.
