3. **PROPOSAL**

A Traffic Regulation Order is required to formalise the existing signed 20mph speed limit on Beauchamp Avenue and surrounding estate roads accessed from the A367 Fosseway to the south of Midsomer Norton.

The extent of the 20mph speed limit on Beauchamp Avenue is as follows:

- From a point 16m northwest of its northern junction with Fosseway South (A367) to a point 13m northwest of its southern junction with Fosseway South (A367)

The 20mph speed limit extent also covers the entire length of the following roads.

- Beauchamp Park
- Blackdown Way
- Cotswold Gardens
- Exmoor Close
- Mendip Green
- Polden Walk
- Quantock Close

The proposal is shown on the attached drawing and in Appendix A.

4. **BACKGROUND**

The developer who completed the housing estate adjacent to the A367 Fosseway, Midsomer Norton, entered into a section 38 Highways agreement with Bath & North East Somerset Council that included a 20mph speed limit on all of the estate roads contained within the development. 20mph speed limit signage has therefore been installed on Beauchamp Avenue and throughout the rest of the housing estate by the developer as part of the section 38 Highway adoption works. A new Traffic Regulation Order is required now that the roads have become adopted public Highway, to ensure that the signed speed limit is enforceable.

5. **SOURCE OF FINANCE**

Developer funded TRO by Barrett Homes Bristol.

6. **CONSULTATION REQUIREMENT**

The proposal requires informal consultation with the Chief Constable, Ward Members, and the Cabinet Member for Highways.
