

Traffic Regulation Order (TRO) Statement of Reasons

Bath and North East Somerset Council

(VARIOUS ROADS, SOUTH EAST OUTER AREA, BATH) (PROHIBITION OF STOPPING, WAITING, LOADING AND PARKING PLACES) ORDER 202-

STATEMENT OF REASONS

Proposal

To implement various parking / waiting restrictions around the South East area of Bath as requested by the local Ward Members of behalf of their residents for the reasons as stated below.

Reasons

The Council has had in mind and discharged the duty (as set out in section 122(1) of the Road Traffic Regulation Act 1984) to secure the expeditious, convenient and safe movement of vehicular and other traffic (including pedestrians) so far as practicable. It has also had regard to the factors which point in favour of imposing additional Double Yellow Line restrictions on Southstoke Road, Midford Road, Queens Drive, Fox Hill, Axbridge Road, Priory Close, Old Frome Road, Claverton Down Road, Woodland Grove, Stonehouse Lane, Stonehouse Close, North Road, Bradford Road, Cleveland Walk, and Horsecombe Grove, No Parking Between 8am – 4pm, Monday – Friday restriction on Old Frome Road in the South East area of Bath, Zone A permit holder / 2 hour Limited Waiting, operating 8am – 6pm in lengths of Cleveland Walk in the South East area of Bath and 10 minute Limited Waiting bays, operating Monday – Friday, 8am – 8pm in lengths of Darlington Road in the South East area of Bath. It has balanced the various considerations and concluded that it is appropriate to promote these proposed restriction amendments to prevent obstruction of the highway, improve visibility splays at junctions and provide additional on-street parking provision. The Council has also considered and discharged its network management duty under section 16 of the Traffic Management Act 2004. It has concluded that the proposed restrictions are consistent with that duty, having regard to its other policies and objectives.

The Council has considered article 8 within Schedule 1 to the Human Rights Act (Right to respect for private and family life, home and correspondence) and Protocol 1 Article 1 (Peaceful enjoyment of possessions). Both of these rights are qualified rights, and the

Council does not consider that the measures proposed under the TRO amount to a deprivation of possessions as the right to access property has not been extinguished. The proposals are considered to have a minimal impact on human rights. However, the Council is entitled to affect these rights where it is in accordance with the law, necessary (such as in the interests of public safety or economic well-being, to prevent disorder and crime, to protect health, or to protect the rights and freedoms of others), in pursuit of a legitimate aim and proportionate to do so. The proposals within this report are considered to be in accordance with the law, necessary, in pursuit of a legitimate aim and proportionate.

The Council has had due regard to the needs set out in section 149(1) of the Equality Act 2010. It considers that the proposed Order is consistent with the section 149 public sector equality duty, which it has discharged.
