

Recycling & recovery end use register 2018-19

In 2018-19 over 48,000 tonnes of Bath & North East Somerset residents waste was reused and recycled.

All of the material shown in this register is collected by Bath & North East Somerset Council and genuinely sent for reuse, recycling, or recovery. Details on the end outlets and treatment processes used are set out in the table below.

All the material collected for reuse and recycling is sent for recycling within the UK where possible, however, due to demand or market availability, it is sometimes necessary to export some materials overseas. The percentage of materials exported for recycling and reuse 2018-19 was 0.70%.

In total we exported just over 14% of the 66,906 tonnes diverted away from landfill. The majority of this exported waste has been removed from residents' weekly bin waste at difference facilities in the region. We sent 19,705 tonnes of black bag waste to these facilities in 2018-19, and after all the recyclable and compostable waste has been taken out, the rest was either processed at Energy from Waste facilities in the UK or exported for use in energy recovery in Europe.

NB. The following represents only the Household Waste (also including C&D waste) diverted from landfill in Bath & North East Somerset

KERBSIDE COLLECTIONS	RECYCLED (TONNES)	ENERGY RECOVERY (TONNES)	REUSED (TONNES)	COLLECTION CONTRACTOR	REPROCESSOR	EXPORTED (TONNES)	TREATMENT PROCESS AND END USE
Aluminium Cans	16.77			Bath & North East Somerset Council	Biffa Waste Services Westgate Aldridge Walsall WS9 8EX	0.00	Aluminium cans are melted and reused in construction, production of new cars, bikes and many other products.
	78.46			Bath & North East Somerset Council	J & A Young (Jayplas), Unit 15, Saxon Way, Oakley Hay Industrial Estate, Corby NN18 9EX http://www.jayplas.com/what-we-do/recycling/	0.00	
	0.69			Bath & North East Somerset Council	Newport Paper Company Aston House, 3 Springfield Industrial Estate, Newport, Shropshire, TF10 7NB	0.00	
	41.22			Bath & North East Somerset Council	Thamesdown Recycling, Kingshill Recycling Centre, Swindon SN6 6JR	0.00	
Steel Cans	104.81			Bath & North East Somerset Council	Biffa Waste Services Westgate Aldridge Walsall WS9 8EX	0.00	Similar to the recycling process for aluminium, steel cans are melted and reused in construction, production of new cars, bikes and many other products.
	490.35			Bath & North East Somerset Council	J & A Young (Jayplas), Unit 15, Saxon Way, Oakley Hay Industrial Estate, Corby NN18 9EX http://www.jayplas.com/what-we-do/recycling/	0.00	
	119.46			Bath & North East Somerset Council	Newport Paper Company Aston House, 3 Springfield Industrial Estate, Newport, Shropshire, TF10 7NB	0.00	
Car Batteries	10.05			Bath & North East Somerset Council	G&P Batteries, Darlaston, West Midlands http://www.g-pbatt.co.uk/index.html	0.00	Separated into fractions and reprocessed into new batteries or reused as raw materials ie. Scrap metal and plastic. Water that is removed from the battery is chemically treated to neutralise any acids present.
Cardboard	2,999.39			Bath & North East Somerset Council	D S Smith Recycling, Avon Mill Lane, Bristol www.dssmith.com/recycling	0.00	Cardboard is turned into a pulp to separate out the fibres, ink and other elements that may be present. All inks, plastics, staples are removed before it is dried and wound onto large reels where it is then sent to suppliers to be made into new products.
Clothing & Footwear	160.78			Bath & North East Somerset Council	Wilcox Reclaimers, Beldray Road Bilston w.m. WV14 7NH https://jmpwilcox.co.uk/about-us/our-team/	144.70	Textiles and fabrics are sent to a processing plant where they go through several sorting and grading processes. The high quality materials are then baled to be Exported to Africa, Eastern Europe and Indian subcontinent where they will continue to be used as clothes. Remaining items can be recycled into industrial wipes or used for fibre reclamation.
Food Waste	6,538.82			Bath & North East Somerset Council	GENeco, Wessex Water Composting Facility, Avonmouth http://www.geneco.uk.com/# https://youtu.be/x-HEdAF48ek ;	0.00	Plastics and packaging is mechanically removed once tipped, the food waste is then passed through a shredder and digested for approx 7 days to produce gas and a biofertiliser for use on brown field sites.
Fridges & Freezers	7.36			Bath & North East Somerset Council	Sims, Gatton Road, Bristol BS2 9SH https://www.simsrecycling.com/recycle/	0.00	Degassed and broken up into separate components for recycling
Garden Waste	3,635.00			Bath & North East Somerset Council	RM Penny, On farm composting at Green Ore http://www.pennyplant.com/transfer-station/green-waste-recycling/	0.00	Garden waste is taken to a composting site where the first part of the process is to remove any unwanted items before it is then shredded. From here nature takes over. The enzymes and bacteria that are present begin to breakdown the garden waste, eventually turning it into nutrient-rich compost.
	2,589.29				Phenix Green Solutions Mays Hill Industrial Estate Frampton Cotterell South Glos BS36 2NS	0.00	
Mixed glass	5,340.16			Bath & North East Somerset Council	URM (UK)Ltd, 49 Ludgate Crescent, Langthwaite Business Park, South Kirby, WF9 3NR https://www.urmgroupp.co.uk/consumer-education/#1539831229443-6457d422-1b34	0.00	Glass goes through a series of processes to remove any waste products, such as paper, metals and other impurities that would jeopardise the quality of the final product. The glass often then goes through a colour detection process before being sampled to make sure it meets the required specifications. The final glass product is known as cullet which is then sent off to manufacturers to produce new glass bottles and jars.
Household Batteries	8.01			Bath & North East Somerset Council	G&P Batteries, Darlaston, West Midlands http://www.g-pbatt.co.uk/index.html https://www.mercuryrecycling.co.uk/recycling/battery-recycling https://www.recycle-more.co.uk/how-is-it-recycled-/battery-recycling	0.00	Separated into fractions and reprocessed into new batteries or reused as raw materials ie. Scrap metal and plastic.
Paper	3,412.26			Bath & North East Somerset Council	Palm Paper, Saddlebow Paper Mill Poplar Ave, Kings Lynn, Norfolk PE34 3AL http://www.palmrecycling.co.uk/	0.00	Paper is turned into a pulp to separate out the fibres, ink and other elements that may be present. All inks, plastics, staples are removed before it is dried and wound onto large reels where it is then sent to suppliers to be made into new products like newspaper.
Mixed Plastics	297.65			Bath & North East Somerset Council	Biffa Waste Services Westgate Aldridge Walsall WS9 8EX	0.00	Plastics require several sorting processes that both remove contamination and identify the types of plastics they are made from. They are then cleaned, separated and arranged into varying colour groups. They are then shredded into flakes and granules that will be sent off to suppliers who can use them to create new bottles, bags and even clothes.
	12.33			Bath & North East Somerset Council	Newport Paper Company Aston House, 3 Springfield Industrial Estate, Newport, Shropshire, TF10 7NB	0.00	

	1,577.45			Bath & North East Somerset Council	J & A Young (Jayplas), Unit 15, Saxon Way, Oakley Hay Industrial Estate, Corby NN18 9EX http://www.jayplas.com/what-we-do/recycling/mixed-bottle-plastic-sorting.html	0.00	
Toner Cartridges	0.00		1.57	Bath & North East Somerset Council	Safetykleen, 202, Longmead Road Bristol BS16 7FG https://www.safetykleen.eu.uk/home	0.00	Old cartridges are assessed to clarify those that can be re-filled and re-used. Components that fail these tests are removed and recycled into other products.
Small WEEE	56.99			Bath & North East Somerset Council	Sims, Gatton Road, Bristol BS2 9SH https://www.simsrecycling.com/recycle/	0.00	Small electricals are broken down and put through several processes to ensure their individual components are removed and recycled. These contents can consist of plastics, metals, motors and batteries.
BRING BANKS	RECYCLED (TONNES)	ENERGY RECOVERY (TONNES)	REUSED (TONNES)	COLLECTION CONTRACTOR	REPROCESSOR	EXPORTED (TONNES)	END USE
