

HAVE YOUR SAY ON IMPROVEMENTS TO YOUR HIGH STREET

Improvements are planned for your high street by Bath & North East Somerset Council. They are scheduled for 2022-24. The project will be funded by the West of England Combined Authority's Love Our High Streets programme and Community Infrastructure Levy.

These improvements could include street furniture, cycle storage, art installations, street 'greening', 'pop-up' uses in vacant units, events and support for place identity (such as advertising and signage). We want the views of local people to shape these projects.

Twerton High Street

Moorland Road

Weston High Street

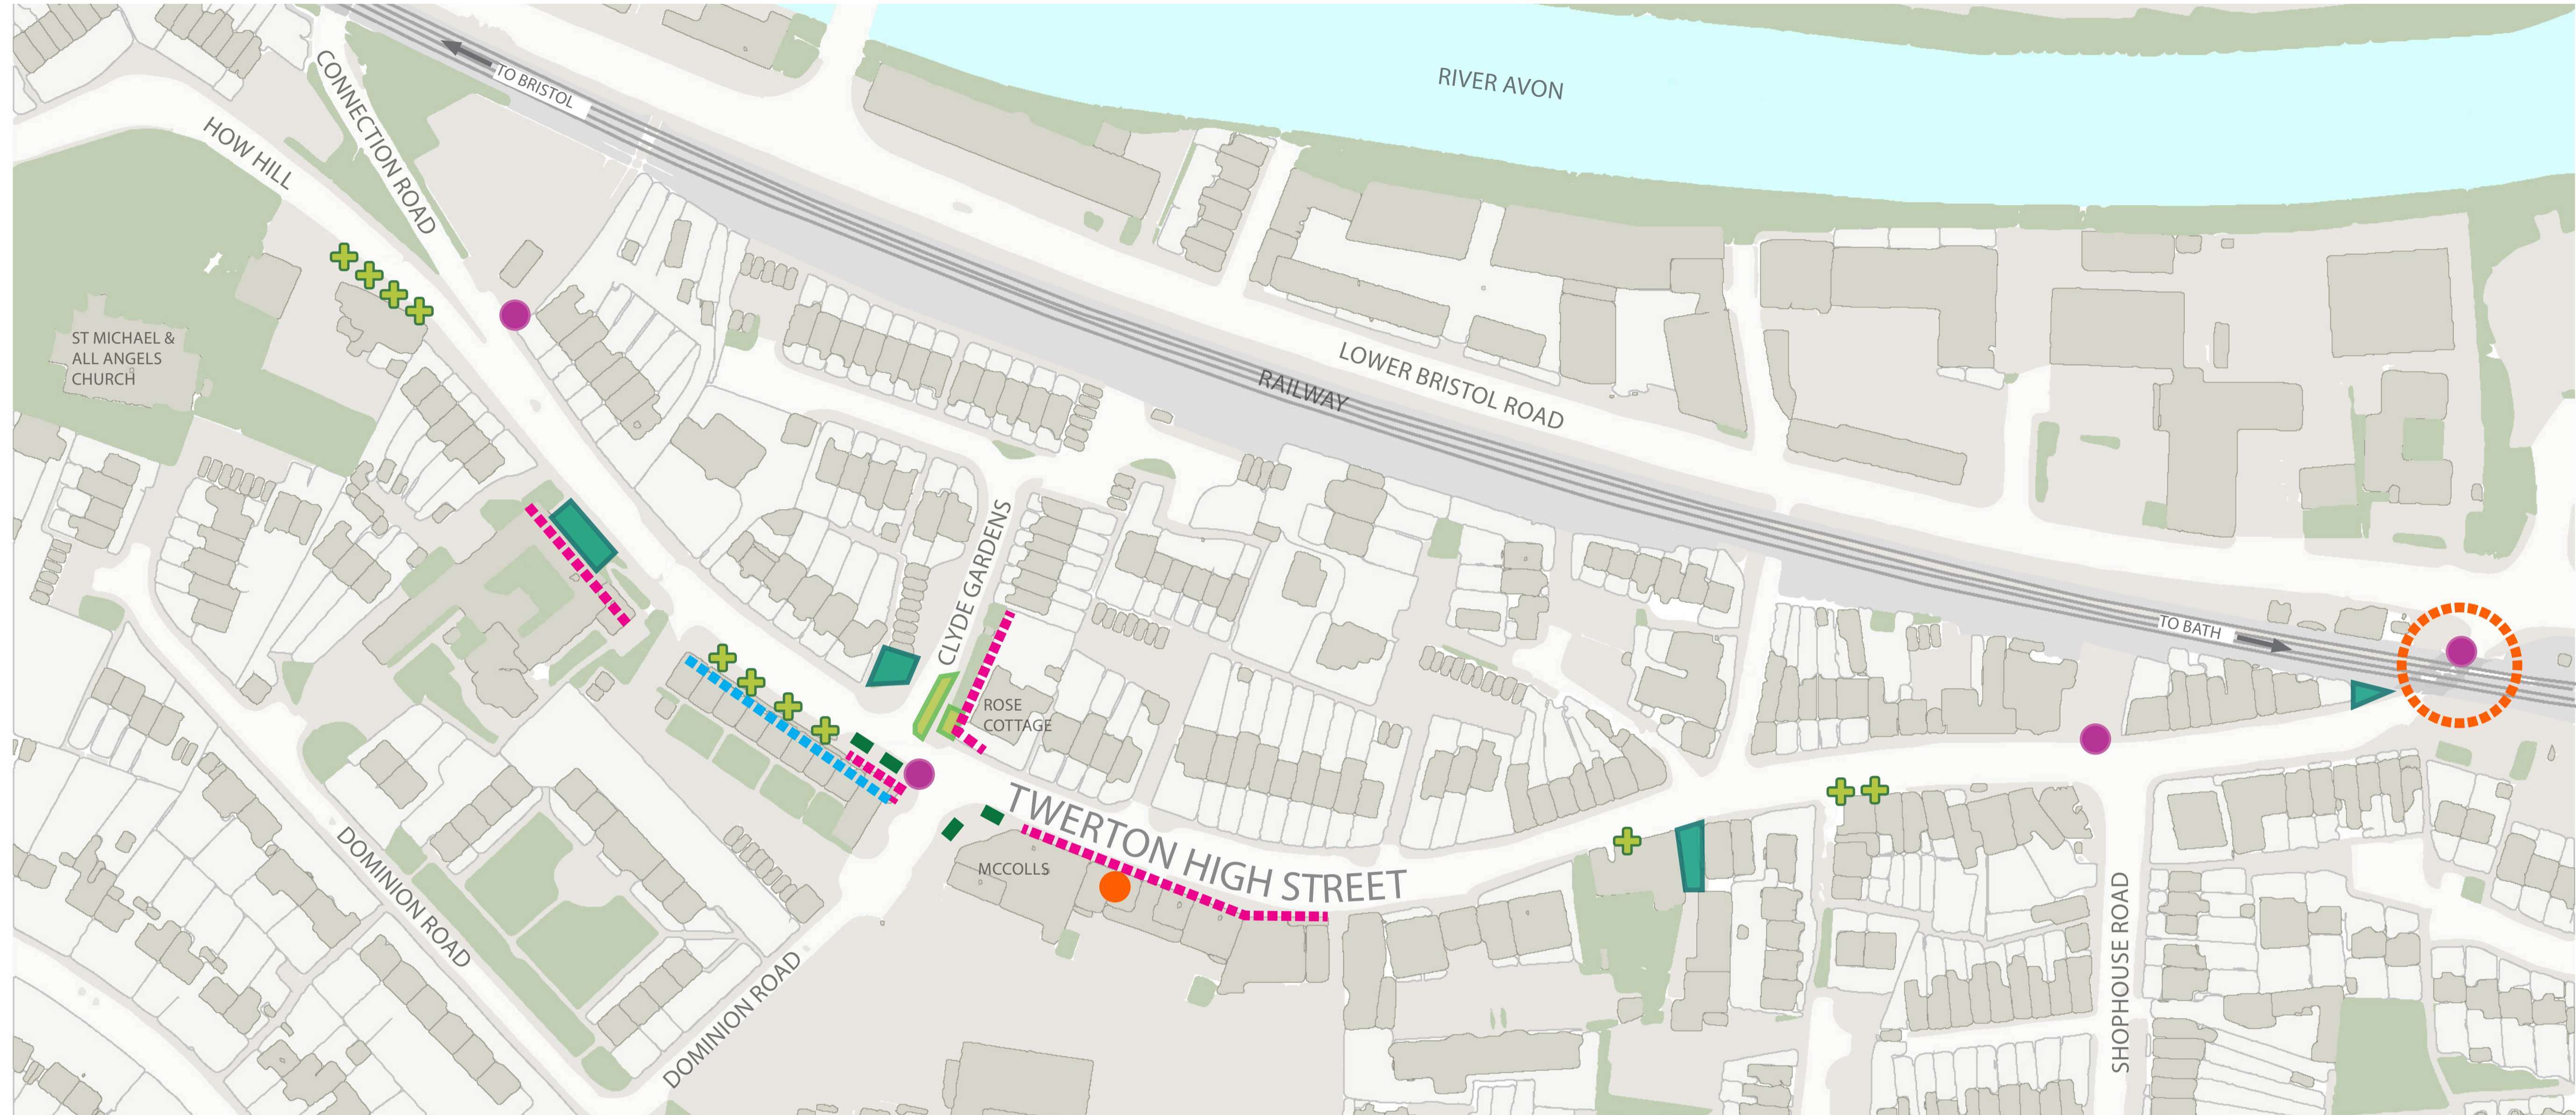

Mount Road

These are the local centres that will benefit from the Love Our High Streets funding

Project ideas

Twerton High Street: Concept design

0 10 20 30 40M SCALE 1:1500 @A3
